

MEMORANDUM

Council Agenda
Item No. IX. BE
11/5/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Operation and Management Agreement with the Oklahoma City Police Athletic League for operation and programming of the Schilling Recreation Center, 601 SE 25th Street, November 5, 2024 through November 4, 2027. Ward 4.

Location:

The Schilling Recreation Center, 601 SE 25th Street

Background:

The Oklahoma City Police Athletic League ("PAL") is a non-profit dedicated to juvenile crime prevention through social, recreational, and educational activities to reduce risk factors for youth. For many years, The City of Oklahoma City ("City") has partnered with PAL at other City-owned facilities to operate the City's recreational programming, including sports leagues.

Under this Operation and Management Agreement ("Agreement"), PAL will operate the Schilling Recreation Center ("Center") on behalf of OKC Parks to provide the youth activities described above. PAL's use of the Center will be consistent with public-park purposes and the programming goals and requirements set forth in the Agreement.

PAL will manage, program, and maintain the Center at its expense. PAL's youth programming will include athletic leagues, leadership skills training, and service opportunities. The City will be responsible for major repairs at the Center (e.g., roof, exterior walls and windows, HVAC, etc.).

PAL must provide required insurance and indemnification; fulfill annual reporting requirements; and comply with applicable laws and policies. The Agreement is for three years. Upon mutual consent, it may be renewed for four additional, three-year terms, for a total of 15 years. The Agreement may also be canceled under certain conditions.
