The undersigned, of lawful age, being first duly sworn on oath, affirms and states that the Bidder has the authority to execute this Public Construction Project Subcontracting Plan. I. Public Construction Project Subcontracting Plan

A. Outreach - In the space provided below describe in detail your company's efforts regarding outreach to small, minority, disadvantaged and women owned businesses in an effort to utilize their services in conjunction with Project Number UPSR-0001 Street Repairs.

Throughout the project, if possible, we will make efforts to use companies listed on the City's DBE list. The company's trade must match that of the need of the project. We would not solicit business from a company for an activity that we normally self-perform.

B. Internal Efforts – In the space provided below describe in detail any initiatives in place within your company directed at establishing policies and procedures to ensure that small, minority, disadvantaged and women owned businesses are made aware of and given the opportunity to submit bids for sub-contracting on publicly funded projects.

Rudy Construction Co. will contact businesses listed on Oklahoma City's DBE list by phone, fax, or email. The trade of the business must meet the need of the project being bid.

A Notice to Proceed for the project listed above will not be issued by the City Engineer until this document is completed and returned to the Public Works department. The document must be completed and signed by the Contractor, and notarized, dated and completed by the Notary Public.
