Item No. XI. U
8/16/2022

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Ordinance to be introduced and adopted with emergency, amending Ordinance No. 26,950 as adopted by the City Council on January 18, 2022, extending the corporate limits of The City of Oklahoma City; by correcting the legal description for such extension; by adding jurisdictional facts; and by specifying that the area for such extension shall continue to receive fire protection services from the Deer Creek Fire Protection District and that the Fire Protection District shall continue to receive its assessment without restriction. Ward 8.
Deferred from August 2, 2022.

Purpose:

To amend Ordinance No. 26,950

Background:

On January 18, 2022, the City Council approved an ordinance annexing approximately 160 acres at the southeast corner of NW 206th and May Avenue. The legal description contained in the annexation ordinance included the western half of May Avenue at this location in error. The amended ordinance corrects the legal description to include only the eastern half of May Avenue contiguous to the annexed property. The amended ordinance also clarifies that the annexed property will continue to receive fire protection services from the Deer Creek Fire Protection District and that the Fire Protection District will continue to receive its assessment without restriction.

Review:

Planning Department

Recommendation: Ordinance be introduced and adopted with emergency.
