

This affects **YOUR** HOMES VALUE!!!!

Reject Re-zone Application PUD 1976

****Scan QR code and sign the petition TODAY****

On SW 29th East of Sara Rd. across from BROOKSTONE LAKES

30-foot-wide lots (normal lots are (45-50 ft.)

311 homes on 47 acres

Overcrowding our schools, overcrowding our roads, and maxing out our infrastructure.

*Also show up to the planning commission vote 12/14/23 and protest this new high-density proposal.

Westbury Residents and Members:

Several of the Neighborhoods (forwarded copy of the Petition below) are opposing the PUD 1976 coming before the OKC Planning Commission on December 14, 2023 at 1:30. Request to Rezone for 300+ homes on 30' lots - 47 acres. Property is located across from Brookstone Lakes Addn West of Sara Rd on SW 29th. Reasons for opposition are on Petition. Westbury South has opposed large developments on the SW Sector close to the Mustang Creek area because of Flooding issues.

City of Oklahoma City Planning and Oklahoma City Council over the years has assured us they will monitor the developers on the flooding issues and the Core of Engineers has also monitored the flooding but, developers are still trying to push the developments close to the Mustang Creek and thus issues of flooding occur in the development and surrounding areas.

Please help our neighbors and our area by signing the below Petition and feel free to send any of your comments the Oklahoma City Planning Dept at 405-297-2576 (they will direct you to OKC Planning Commissioners).

The Agenda for the December 14th Meeting at Oklahoma City Planning should be posted tomorrow.

Case#: PUD-1976

January 3, 2024

I would like to strongly oppose the PUD-1976.

While this property is OKC limits, the consideration for already heavy traffic on two lane SW 29th street, already overburdened MUSTANG Schools (who have no vote on this) and property values for existing homes should not be overlooked.

Again, this is STRONGLY opposed. Please listen to the people on this matter. Our voices should count too!

Marvin Blaxton

With Mustang schools already overcrowded, this would add to their plight. This puts them in an unfair position. This will lower the property values in this area. 29th street is 2 lane all the way east to McArthur. This will jam it even worse. No one wins here except the developer who will build, sell, and move on . Turn PUD-1976 down!!
