

MEMORANDUM

OCAT Agenda
Item No. IV. P
1/25/2024

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Plans and Project Manual to be advertised for bids, Project No. OCAT WRWA 2422, Federal Inspection Services Facility – Baggage Handling System.

Location:

Will Rogers World Airport

Background:

On July 27, 2023, a Professional Services Contract was entered into for Project No. OCAT WRWA 2409, Federal Inspection Services Facility Buildout, to develop plans and specifications for the build out of the Federal Inspection Services Facility (FIS) at Will Rogers World Airport (Airport).

The baggage handling system in the FIS is a long lead item and needs to be procured early so that the construction of the buildout will not be delayed due to material delivery. During the buildout of the FIS the baggage handling system will be constructed and installed under this package.

Bids to be Received:

February 21, 2024, 10:00:00 a.m. CST

Estimated Construction Cost:

\$1,897,100

Engineer:

Frankfurt-Short-Bruza, P.C.

Recommendation: Plans and Project Manual be approved, and Secretary be authorized to advertise for bids.
