Subject: Protest and request for deferral on PUD-1855

As a resident of Durbin Hills I am requesting a delay on hearing PUD-1855. The city failed twice to respond to open records requests to review this full PUD and I only just got the full item five minutes ago. Meanwhile, the deadline for getting something placed in planning commissioners' packets is at noon.

My concern is about the number of commercial entries for this PUD on what is a residential access street - Griffin Drive.

Please let me know when you get this email and please put this into the packet. My neighborhood and Griffin Park deserve a chance to review this application before it is heard and voted on.
