Executive Director, IT Services

RE: OKCPS Instructional Coaches iPads

**Recommendation:**

The purchase of 100 Apple iPads, cases, 1 keyboard, and 1 trackpad to be funded by the Yes the Yellow bonds, Information Technology – Proposition 2 Item 2, as approved in the November 8, 2016 bond election. The District is recommending the purchase of 100 Apple iPads, cases, 1 keyboard, and 1 trackpad to provide instructional and technical support for a 1:1 initiative for grades PreK-2, as well as provide for operational support in facilitating teacher effectiveness

**Background:**

OKCPS currently manages approximately 880 staff iPads that are used for curriculum, instruction, assessment and supervision. These 100 iPads will be distributed to the Instructional Coach corps, for these staff members provide direct instructional and technical support to school instructional staff.

This purchase of 100 Apple iPads, cases, 1 keyboard, and 1 trackpad will be purchased directly from Apple, Inc as they are the sole source provider of Apple equipment to K12 customers.

As this purchase is under the \$50,000 threshold, a ratification to the School Bond Advisory Board will be required.

The cost of this purchase is \$38,093
