I am in total opposition! The traffic is terrible now and should a business go in it would be worse. It is a dangerous corner with wrecks happening weekly. We have no idea of what is going in there. It could be anything from bar to a 7/11 with lights on car's pulling in at all hour's. I am 75 year old woman who lives alone and I don't know if I could stay in the home I love. This is a neighborhood and everyone around here would take this as a terrible blow. Thank you for you're considering my opposition.
