Subject: Re: SPUD 1312 Opposition Petitions
Attachments: 15th16thStPetitions.pdf; 14thStPetition.jpg

Planning Commission:

Attached are three petition sheets circulated last night (6th of May), garnering 49 signatures in opposition to this proposed lot split. All neighbors approached about this signed the petition. No one declined. Many were not at home.

Please consider this unanimous opinion when deciding on SPUD 1312 and whether outside developers can put profit ahead of the character and historical context of our neighborhood.

Thank you!

Petition Against Proposed Lot Splits at 201 NE 14th Street

We, the undersigned residents and property owners of Classen's North Highland Park neighborhood, hereby express our opposition to the proposed development at 201 NE 14th Street (SPUD-1312). This proposal would set the undesirable precedents of allowing lots to be split and building setback lines to be substantially altered in our neighborhood, unnecessarily and negatively altering its historic character.
