RE: Recommendation of Final Acceptance
Rehabilitate Runway 13-31 Pavement, Lights and Signs
AIP 3-40-0073-028-2021
OCAT WPA 2103
Wiley Post Airport

Dear Mr. Mulder:

CEC Corporation (CEC) completed a Final Inspection of the subject project on January 18, 2022, with the following parties in attendance:

John Storms, P.E. – Dept. of Airports
Kristy Slater – Dept. of Airports
Blake Green – Dept. of Airports
Roy Sims – Libra Electric Company
Greg Kinsey – Garver

Jarvis Carter, P.E. – Dept. of Airports
Chad Krueger – Dept. of Airports
Jack Bradley – Libra Electric Company
Jayson Dedmon – JEDCO Construction
Jeremy Stahle, P.E. – CEC

With the completion of all Final Inspection punchlist items on January 27, 2022, CEC finds all Work has been performed and is acceptable in accordance with the plans and specifications.

CEC formally recommends to the Oklahoma City Airport Trust the Final Acceptance of the project OCAT WPA 2103 – Rehabilitate Runway 13-31 Pavement, Lights and Signs.

Thank you for the opportunity to work with you on this important project.

Sincerely,
CEC Corporation

Jeremy Stahle, P.E.
Municipal Practice Leader
