Re: Hangar 9 Boiler Replacement  
OCAT GEN 1816  
Mike Monroney Aeronautical Center

Subject: Project Acceptance

Mr. Mulder,

FSB has reviewed the construction outlined in the contract documents, the project closeout documents, and will soon issue the Record Drawings for the Hangar 9 Boiler Replacement project at the Mike Monroney Aeronautical Center. Based on our knowledge and understanding, we recommend that the project be accepted as complete.

Sincerely,  
FRANKFURT SHORT BRUZA ASSOCIATES, P.C.

Casey West  
Project Manager
