

MEMORANDUM

Council Agenda
Item No. X. A
4/26/2022

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in receiving the Consultant Review Committee Report, Project ST-0173, Headworks Improvements and Hydraulic Study, North Canadian Wastewater Treatment Plant; and authorizing negotiation of a contract.

Location:

North Canadian Wastewater Treatment Plant

Background:

This project provides for preliminary engineering services required to evaluate the existing headworks facility for Phase I and develop recommended improvements. The engineer will also complete a hydraulic study of each process of the wastewater treatment plant to determine the current hydraulic capacity of the plant, identify flow restrictions, and develop recommended improvements related to plant hydraulics.

The Public Works Department submitted the names of three firms for this project to the Consultant Review Committee for consideration and prepared a report of the Committee's findings. The committee selected CP&Y, Inc. to provide services for this project.

Engineer:

CP&Y, Inc.

Engineering Fee:

To be negotiated

Estimated Construction Cost:

To be determined

Source of Funds:

OCWUT–Sewer Facility Fund–OCWUT WW Trust Capital–North Canadian Wastewater Treatment Plant–Project ST0173–Architect & Engineering
(360-3560-3801600-07801-ST0173-54040001)

Review:

Public Works Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in receiving the report and authorizing the City Engineer to negotiate a contract.
