

MAINTENANCE BOND

(Private Contract)

Bond #GR49684

KNOW ALL MEN BY THESE PRESENT:

That We, Mid-South Contracting, LLC, as Principal, and Granite Re, Inc., as Surety, are held and firmly bound unto THE CITY OF OKLAHOMA CITY in the full and just sum of Five Thousand Five Hundred Fifty-Four and no/cents Dollars (\$5,554.00), such sum being equal to the contract price for a period of two (2) year, for the payment of which, well and truly to be made, we, and each of us, bind ourselves, our heirs, executors, and assigns, themselves, and its successors and assigns, joint and severally, firmly by these presents.

Whereas, in a contract dated the 16 day of March, 2021, with Juan Carlos, the Principal agreed to construct improvements in the City of Oklahoma City, being:

2510 S. Portland, water line, WF-2020-00028, OKC, OK

as more particularly described and in compliance with the plans and specifications on file in the Office of the City Engineer of The City of Oklahoma City. As a condition of said construction contract and as a condition of the issuance of a work order by the City Engineer, Principal has agreed and hereby agrees to construct and maintain said improvements in compliance with Oklahoma City standards and the aforementioned plans and specification against any failure due to workmanship or material for a period of two (2) years from the date of final formal acceptance of the improvements by the Council of the City of Oklahoma City.

NOW, THEREFORE, if said Principal shall pay or cause to be paid to the City, all damage, loss and expense which may result by reason of defective materials and/or workmanship in connection with said work occurring within a period of two (2) years from and after the final formal acceptance of said project by the City, then this obligation shall be null and void, otherwise to be and remain in full force and effect.

Revised 1/15/08

It is further agreed that if the said Principal or Surety herein shall fail to maintain said improvements against any failure due to defective workmanship and/or material for a period of two

It is further agreed that if the said Principal or Surety herein shall fail to maintain said improvements against any failure due to defective workmanship and/or material for a period of two (2) years and at any time repairs shall be necessary that the cost of making said repairs shall be determined by the Council of THE CITY OF OKLAHOMA CITY, or some person or persons designated by them to ascertain the same, and if, upon thirty (30) days notice, the said amount ascertained shall not be paid by the Principal or Surety herein, or if the necessary repairs are not made, the said amount shall become due upon the expiration of thirty (30) days and suit may be maintained to recover the amount so determined in any Court of competent jurisdiction. And that the amount so determined shall be conclusive upon the parties as to the amount due on this bond for the repair or repairs included therein, and that the cost of all repairs shall be so determined from time to time during the life of this bond as the condition of the improvements may require.

It is further expressly agreed and understood by the parties hereto that no changes or alterations in said contract and no deviations from the plan or mode of procedure herein fixed shall have the effect of releasing the sureties, or any of them, from the obligations of this bond.

IN WITNESS WHEREOF, the said Principal has caused these presents to be executed in its name and its corporate seal to be hereunto affixed by its duly authorized officers; and the said Surety has caused these presents to be executed in its name and its corporate seal to be hereunto affixed by its attorney-in-fact, duly authorized so to do, the day and year first above written.
