Dear Mayor Holt:

The Oklahoma Municipal League (OML) appreciates and values your continued support and participation in the League.

OML is your organization and as such we work diligently to provide members with the resources you need for your community. Below are a few examples of how OML has put revenue back into your community by our efforts at the Capitol:

OML has led the fight on comprehensive purchasing reform to streamline bidding in Oklahoma to increase purchasing power for municipalities and has also worked to increase purchasing limit caps and bidding thresholds.

- In 2021, the Governor signed HB1789 which allows for cooperative purchases and coordination with co-op purchasing organizations to drive down costs to maximize and leverage municipal purchasing power.
- In 2021, HB2862 raised the bidding threshold to \$100,000 for municipal governments, and this Session, SB173 was signed into law to provide the same thresholds for public works departments and other municipal trusts.

OML played a critical role in working with the Federal Government to ensure that dollars from the American Rescue Plan Act went directly to municipalities. OML then partnered with the State of Oklahoma to educate all Oklahoma municipalities about accepting and reporting ARPA funds.

- OML is assisting in the ongoing distribution of more than \$238 million directly to all Oklahoma municipalities.

In addition to all the incredible work OML does at the state Capitol on your behalf, we continue to provide the most comprehensive inquiry, research and training programs built to assist your community for any need.

Together we provide a unified voice for Oklahoma municipalities. The number one ingredient for success at the legislature and state agencies is a united and collective voice.

We are looking forward to continuing to work with you and your community for the betterment of Oklahoma cities and towns. Please feel free to contact OML at 405-528-7515 if you have questions or desire additional information.

Sincerely,
Mike Fina
Executive Director
