1. The Bidder agrees to sell and deliver to the Contracting Entity, the items of material and/or services, specified in the pricing section of the electronic bid submittal, which is attached hereto and made a part of this Pricing Agreement/Contract. 2. The Bidder expressly warrants that all articles, material, and/or work covered in this Pricing Agreement/Contract will conform to the specifications and electronic bid documents attached to this bid and are hereby incorporated, as if set forth in full herein; and further warrants that the same shall be of good material and workmanship, and free from defects.

3. The Bidder understands that all bids are to be submitted in U.S. dollars at a firm price. Bids submitted in any currency other than U.S. dollars will be rejected.

Any payment for such goods shall be refunded by the Bidder unless the Bidder promptly corrects or replaces the same at the Bidder's expense.

6. The Contracting Entity agrees to pay to the Bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contracting Entity, of the material and/or service[s] above described and upon the filing by the Bidder, and approval by the Contracting Entity, of a verified claim for the amount due.

7. The Bidder agrees, in connection with the performance of work under this Pricing Agreement/Contract:

a. That the Bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. The Bidder shall take affirmative action to ensure that employees are treated without regard to their race, creed, color, age, national origin, sex, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;

b. That the Bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Pricing Agreement/Contract.

8. In the event of the Bidder's non-compliance with the above non-discrimination clause, this Pricing Agreement/Contract may be canceled or terminated by the Contracting Entity. The Bidder may be declared by the Contracting Entity ineligible for further Pricing Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Bidder.

9. The risk of loss or damage shall be borne by the Bidder at all times until the acceptance of goods, properly packed, by the Contracting Entity.

10. This Pricing Agreement/Contract, specifications, electronic bid submittal documents and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this Pricing Agreement/Contract. This Pricing Agreement/Contract may not be modified or assigned unless approved in writing and signed by both parties.

11. The parties assume and understand that the variables in the Bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the Bidder's costs will not alter the Bidder's obligations under this Pricing Agreement/Contract nor excuse performance or delay on the Bidder's part.

12. This Pricing Agreement/Contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the Bidder has any commercially reasonable alternative method of performing this Pricing Agreement/Contract by purchase on the market or otherwise, the Bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this Pricing Agreement/Contract were destroyed or their delivery delayed because of an event described above.

13. The shipping or receiving of any goods under this Pricing Agreement/Contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.

14. This Pricing Agreement/Contract shall be governed by the laws of the State of Oklahoma.

15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.

16. If submitting a bid for services, the Bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the status Verification System. The Status Verification System is defined in 25 O.S. §1312 and includes but is not limited to the free Employment Verification Program (E-Verify) through the Department of Homeland Security and available at www.dhs.gov/E-Verify.

Supplier: AIR Technologies**CONTRACTOR/VENDOR BACKGROUND CHECKS
FOR ACCESS TO OR WORK IN CITY AND TRUST BUILDINGS AND STRUCTURES**

The City has established a policy to better secure City and/or Trust owned or operated buildings and structures by requiring background and fingerprint checks of Non-City employees as a condition precedent to entering City and/or Trust buildings and structures. **Contractor/vendor employees and agents who will be required to enter City and Trust buildings and structures to perform a City or Trust Contract will be required to obtain and provide an Oklahoma State Bureau of Investigation background and fingerprint check to the General Service Director or designee before such Contractor/Vendor employee or agent will be permitted to enter City and/or Trust buildings and structures unescorted, at their cost.**

The General Services Director will establish and maintain a list of Non-City employees authorized to enter City and/or Trust buildings and structures. Background and fingerprint records will be maintained by the General Services Department in a secure location within the City's internal network. Said records will be destroyed within sixty days of: 1) final acceptance by the City Council in the case of construction projects, 2) termination or expiration of a procurement pricing agreement, 3) termination or expiration of an engineering, architectural or planner agreement, or 4) termination or expiration of a professional services agreement, unless the Contractor/Vendor has another contract or agreement. The City reserves the right and authorizes the General Services Director or designee to request and require any such background check be updated and resubmitted. In addition, the Contractor/Vendor acknowledges and agrees that Contractor/Vendor employees and agents will be asked to verify their identity with a government issued picture identification (Driver's License, Passport, Oklahoma issued Identification Card) from the employee or agent's state of residence to enter City and/or Trust owned or operated buildings and structures.

Arrest and/or conviction records may disqualify Contractor/Vendor employees or agents from access or for work in City or Trust buildings and structures.

In addition to the Sex Offenders Registration Act (57 O.S. Section 581 *et seq.*) and the Mary Rippey Violent Crime Offenders Registration Act (57 O.S. Section 591 *et seq.*), the following criteria will be used when reviewing Contractor/Vendor employee or agent requests for building access:

- (a) Any unpardoned felony conviction or plea of nolo contendere may be disqualifying, depending on the nature of the conviction and the relation to the scope of the contract or price agreement, except under the following circumstances:
1. Access to City or Trust buildings and structures is contingent upon successful completion of two (2) years of a deferred or suspended sentence (if the sentence exceeds two (2) years), otherwise, after successfully serving the complete sentence. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom the individual has worked within the last two years. Situations where the applicant is unable to provide a written reference from an employer with whom the individual has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.
 2. Applicants convicted of a felony and ordered to serve time with the Department of Corrections may be eligible for access, depending on the nature of the conviction and the position sought, two (2) years from the date of parole. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom he or

she has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.

- (b) Any unpardoned conviction(s) involving the following offenses may be disqualifying: moral turpitude; non-consensual sex acts; distribution or trafficking of controlled dangerous substances; assault and battery with a dangerous weapon, or any offense involving a minor as a victim.
- (c) Any applicant who has been convicted of a felony, is a current defendant of a Victim Protection Order (VPO) or has been convicted of a misdemeanor crime of Domestic Violence, will not be considered for facility access. Misdemeanor convictions and traffic violations will be evaluated on an individual basis and may be disqualifying.
- (d) Any applicant with a pending felony or misdemeanor charge (other than minor traffic violations) will be ineligible for access, until a final disposition of the charge is made.
- (e) Any conviction that has been pardoned or expunged cannot be considered in a facility access decision.

If it is determined that information obtained through the applicant's OSBI criminal records check makes the applicant unsuitable for access to City or Trust buildings or structures, the General Services Department will notify the applicant immediately and provide a copy of any criminal record information.

- (a) The applicant will be given seven (7) business days to provide information that negates the validity and relevance of the criminal record. If the information obtained through the criminal records check cannot be invalidated by the applicant, the applicant will be denied facility access.
- (b) In determining an applicant's suitability for facility access, the General Services Department will consider information including, but not limited to the following:
 - 1. Relevance of the crime to the proposed work to be performed.
 - 2. Nature of the work to be performed;
 - 3. Recency of the conviction;
 - 4. Sensitivity of and potential risk to accessible information, systems, or equipment; and
 - 5. Potential risk or threat to City employees.

Upon approval of a contract or agreement by the City Council/Trust, the successful Contractor(s)/Vendor(s) will be required to submit to the General Services Department the following completed documents for **each** employee requiring access to City or Trust buildings and structures to fulfill the terms of the contract or agreement.

- 1. Non-Employee Building Access Request Form – available upon request at (405) 297-2123
- 2. OSBI Criminal History Information Request Portal Response – available at <http://www.ok.gov/osbi/CriminalHistory/CHIRP>

1. The Bidder agrees to sell and deliver to the Contracting Entity, the items of material and/or services, specified in the pricing section of the electronic bid submittal, which is attached hereto and made a part of this Pricing Agreement/Contract. List the prompt payment discount, if any, for this agreement in the space provided below:

2. The Bidder expressly warrants that all articles, material, and/or work covered in this Pricing Agreement/Contract will conform to the specifications and electronic bid documents attached to this bid and are hereby incorporated, as if set forth in full herein; and further warrants that the same shall be of good material and workmanship, and free from defects.

3. The Bidder understands that all bids are to be submitted in U.S. dollars at a firm price. Bids submitted in any currency other than U.S. dollars will be rejected.

4. The Bidder also understands that all invoices shall be submitted in U.S. dollars and agrees to accept payment in U.S. dollars as full satisfaction of the invoiced amount.

6. The Contracting Entity agrees to pay to the Bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contracting Entity, of the material and/or service[s] above described and upon the filing by the Bidder, and approval by the Contracting Entity, of a verified claim for the amount due.
7. The Bidder agrees, in connection with the performance of work under this Pricing Agreement/Contract:
 - a. That the Bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;
 - b. That the Bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Pricing Agreement/Contract.
8. In the event of the Bidder's non-compliance with the above non-discrimination clause, this Pricing Agreement/Contract may be canceled or terminated by the Contracting Entity. The Bidder may be declared by the Contracting Entity ineligible for further Pricing Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Bidder.
9. The risk of loss or damage shall be borne by the Bidder at all times until the acceptance of goods, properly packed, by the Contracting Entity.
10. This Pricing Agreement/Contract, specifications, electronic bid submittal documents and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this Pricing Agreement/Contract. This Pricing Agreement/Contract may not be modified or assigned unless approved in writing and signed by both parties.
11. The parties assume and understand that the variables in the Bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the Bidder's costs will not alter the Bidder's obligations under this Pricing Agreement/Contract nor excuse performance or delay on the Bidder's part.
12. This Pricing Agreement/Contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the Bidder has any commercially reasonable alternative method of performing this Pricing Agreement/Contract by purchase on the market or otherwise, the Bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this Pricing Agreement/Contract were destroyed or their delivery delayed because of an event described above.
13. The shipping or receiving of any goods under this Pricing Agreement/Contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.
14. This Pricing Agreement/Contract shall be governed by the laws of the State of Oklahoma.
15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.
16. If submitting a bid for services, the Bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the status Verification System. CONTRACTOR/VENDOR BACKGROUND CHECKS FOR ACCESS TO OR WORK IN CITY AND TRUST BUILDINGS AND STRUCTURES

The City has established a policy to better secure City and/or Trust owned or operated buildings and structures by requiring background and fingerprint checks of Non-City employees as a condition precedent to entering City and/or Trust buildings and structures. **Contractor/vendor employees and agents who will be required to enter City and Trust buildings and structures to perform a City or Trust Contract will be required to obtain and provide an Oklahoma State Bureau of Investigation background and fingerprint check to the General Service Director or designee before such Contractor/Vendor employee or agent will be permitted to enter City and/or Trust buildings and structures unescorted, at their cost.**

The General Services Director will establish and maintain a list of Non-City employees authorized to enter City and/or Trust buildings and structures. Background and fingerprint records will be maintained by the General Services Department in a secure location within the City's internal network. Said records will be destroyed within sixty days of: 1) final acceptance by the City Council in the case of construction projects, 2) termination or expiration of a procurement pricing agreement, 3) termination or expiration of an engineering, architectural or planner agreement, or 4) termination or expiration of a professional services agreement, unless the Contractor/Vendor has another contractor or agreement. The City reserves the right and authorizes the General Services Director or designee to request and require any such background check be updated and resubmitted. In addition, the Contractor/Vendor acknowledges and agrees that Contractor/Vendor employees and agents will be asked to verify their identity with a government issued picture identification (Driver's License, Passport, Oklahoma issued Identification Card) from the employee or agent's state of residence to enter City and/or Trust owned or operated buildings and structures.

Arrest and/or conviction records may disqualify Contractor/Vendor employees or agents from access or for work in City or Trust buildings and structures.

In addition to the Sex Offenders Registration Act (57 O.S. Section 581 *et seq.*) and the Mary Rippy Violent Crime Offenders Registration Act (57 O.S. Section 591 *et seq.*), the following criteria will be used when reviewing Contractor/Vendor employee or agent requests for building access:

- (a) Any unpardoned felony conviction or plea of nolo contendere may be disqualifying, depending on the nature of the conviction and the relation to the scope of the contract or price agreement, except under the following circumstances:
1. Access to City or Trust buildings and structures is contingent upon successful completion of two (2) years of a deferred or suspended sentence (if the sentence exceeds two (2) years), otherwise, after successfully serving the complete sentence. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom the individual has worked within the last two years. Situations where the applicant is unable to provide a written reference from an employer with whom the individual has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.
 2. Applicants convicted of a felony and ordered to serve time with the Department of Corrections may be eligible for access, depending on the nature of the conviction and the position sought, two (2) years from the date of parole. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom he or she has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.

- (b) Any unpardoned conviction(s) involving the following offenses may be disqualifying: moral turpitude; non-consensual sex acts; distribution or trafficking of controlled dangerous substances; assault and battery with a dangerous weapon, or any offense involving a minor as a victim.
- (c) Any applicant who has been convicted of a felony, is a current defendant of a Victim Protection Order (VPO) or has been convicted of a misdemeanor crime of Domestic Violence, will not be considered for facility access. Misdemeanor convictions and traffic violations will be evaluated on an individual basis and may be disqualifying.
- (d) Any applicant with a pending felony or misdemeanor charge (other than minor traffic violations) will be ineligible for access, until a final disposition of the charge is made.
- (e) Any conviction that has been pardoned or expunged cannot be considered in a facility access decision.

If it is determined that information obtained through the applicant's OSBI criminal records check makes the applicant unsuitable for access to City or Trust buildings or structures, the General Services Department will notify the applicant immediately and provide a copy of any criminal record information.

- (a) The applicant will be given seven (7) business days to provide information that negates the validity and relevance of the criminal record. If the information obtained through the criminal records check cannot be invalidated by the applicant, the applicant will be denied facility access.
- (b) In determining an applicant's suitability for facility access, the General Services Department will consider information including, but not limited to the following:
 - 1. Relevance of the crime to the proposed work to be performed.
 - 2. Nature of the work to be performed;
 - 3. Recency of the conviction;
 - 4. Sensitivity of and potential risk to accessible information, systems, or equipment; and
 - 5. Potential risk or threat to City employees.

Upon approval of a contract or agreement by the City Council/Trust, the successful Contractor(s)/Vendor(s) will be required to submit to the General Services Department the following completed documents for **each** employee requiring access to City or Trust buildings and structures to fulfill the terms of the contract or agreement.

- 1. Non-Employee Building Access Request Form – available upon request at (405) 297-2123

GENERAL INSTRUCTIONS AND REQUIREMENTS FOR BIDDERS

THESE INSTRUCTIONS, REQUIREMENTS AND ANY SPECIAL INSTRUCTIONS CONTAINED IN THE SPECIFICATIONS ARE A PART OF THE TERMS AND CONDITIONS OF THE BIDDER'S IRREVOCABLE BID AS A FIRM OFFER. ANY EXCEPTIONS TO THESE INSTRUCTIONS, REQUIREMENTS OR SPECIFICATIONS MUST BE SPECIFIED AND SUBMITTED WITH THE BIDDER'S BID. THIS CAN BE ACCOMPLISHED BY SUBMITTING AN ALTERNATE OFFER, IF AVAILABLE ON THE BID, OR BY ENTERING INFORMATION INTO THE "NOTE TO BUYER" FIELD. A BIDDER MAY ALSO SUBMIT EXCEPTIONS BY UPLOADING A SEPARATE DOCUMENT LABELED "EXCEPTIONS" INTO THE PERISCOPE SYSTEM. FAILURE TO INDICATE ANY EXCEPTIONS WILL BE REGARDED AS FULL ACCEPTANCE OF THE REQUIREMENTS, INSTRUCTIONS, AND SPECIFICATIONS CONTAINED IN THIS BID PACKET AND ANY OTHER BID DOCUMENTS RELATED TO THIS BID.

1. **EXAMINATION BY BIDDERS:** All Bidders must examine the specifications, drawings, schedules, special instructions and these general instructions and requirements prior to electronically submitting any Bid/Pricing Agreement/Contract. Failure to examine is at the Bidder's own risk as Bidder will be held to the terms, conditions and requirements therein.
2. **SUBMISSION OF FORMS REQUIRED FOR PRICING AGREEMENT/CONTRACT AWARD:** All bids must be completed electronically, on the forms provided by the Contracting Entity through the electronic bidding system. Bids will not be considered unless the Bid/Pricing Agreement/Contract form is completed, signed and submitted by the Bidder in the electronic bidding system. A Letter of Authorization should also be attached and submitted when the Bidder is not authorized by statute and the Bidder's organizational and establishing documents to sign and bind the Bidder to the Bid/Pricing Agreement/Contract documents. The Non-Collusion Affidavit must be executed by the Bidder or an authorized agent and notarized. The notarization must contain:
 - (a) The notary's signature (electronic signature);
 - (b) Jurisdiction where notarization took place (i.e., State of __, County of __);
 - (c) Date of notarization;
 - (d) The notary's commission expiration date;
 - (e) The notary's commission number (Oklahoma);
 - (f) The notarial seal (the notary seal is not required for electronic notarization); and
 - (g) Comply with all other applicable laws. The Non-Collusion Affidavit must be submitted electronically with the electronic bid packet.
3. **SUBMISSION OF BIDS ELECTRONICALLY TO THE CITY CLERK/SECRETARY:** Bids must be submitted electronically through Periscope and shall be opened at the time stated in the Notice to Bidders, or later, in the City Clerk's Conference Room, located on the 2nd floor of the Municipal Building. The Periscope system does not allow bids to be submitted after the deadline. There will be no exceptions to this policy. All bids shall remain on file at least 48 hours thereafter before a Pricing Agreement/Contract shall be made and entered into thereon.
4. **DESCRIPTIVE TERMS:** Unless the term "no substitute" is used, the use of brand name, manufacturer, make, or catalog designation in describing an item does not restrict Bidders to that particular brand name, etc. The term is simply to indicate the type, character, quality and/or performance equivalence of the item desired. However, the proposed substitution item must be of such character, quality and/or performance equivalence as that indicated in the specifications. A proposed substitute item must include complete data as to the manufacturer's name, type, model number, any descriptive bulletins and specifications. This data can be uploaded electronically through the electronic bidding system.
5. **EXCEPTIONS:** Any exceptions or variances to these instructions or specifications must be submitted with the Bidder's bid. This can be accomplished by submitting an alternate offer, if available on the bid, or by entering information in the "Note to Buyer" field. A Bidder may also submit exceptions by uploading a separate document labeled "Exceptions" into the Periscope system. Failure to indicate any exceptions will be construed to mean that the Bidder offers to furnish the exact commodity as described in the bid specifications and as full acceptance of the requirements, instructions, and specifications contained in this bid packet and any other bid documents related to this bid.
6. **UNIT PRICES:** A unit price for each unit bid must be shown and include any applicable taxes, delivery, and packaging and/or packing, if any, unless otherwise specified. If there is an estimated quantity stated as such in the specifications, the estimate is not a guarantee of the quantity which may be purchased. When the quantity in the Periscope system is listed as "1", Bidder shall bid the per individual unit price. The Contracting Entity may purchase one or more bid item at any given time throughout the term of the Pricing Agreement/Contract. The Periscope system will calculate the total based on the quantity requested by the Contracting Entity and the price entered by the Bidder. The Periscope system will calculate the bid price based on the quantity and price. Items bid as an estimated quantity will be awarded on a "no guarantee" basis. Prices shall be extended in decimals, not fractions, and shall include transportation and delivery charges, prepaid by the Bidder to the destination specified in the special instructions of the specifications.
7. **EXEMPTIONS FROM CERTAIN TAXES:** The purchase of certain goods or services by the Contracting Entity is exempt from the payment of excise, transportation, use, and sales tax imposed by the federal, state and/or city

governments. Such taxes must not be included in the bid prices. Any taxes that are not exempt must be included in the bid price. No additional payment or compensation will be made for taxes.

8. PAYMENTS AND DISCOUNTS:

A successful Bidder is required to keep the purchasing department advised at all times of the status of the order and delivery. All goods or services shall be delivered within thirty (30) days from the date of the award of the Pricing Agreement/Contract, unless specified otherwise.

OKLAHOMA OPEN RECORDS ACT AND CONFIDENTIAL INFORMATION

All materials submitted to the Contracting Entity pursuant to this Bid or Proposal potentially become subject to the mandates of the Oklahoma Open Records Act, 51 O.S. § 24A.1. *et seq.* The purpose of this Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records," as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create a specific and express exemption or confidential privilege, persons who submit information to public bodies have no right to keep this information from public access nor have a reasonable expectation that this information will be kept from public access.

If you believe that any of the information you have submitted to the Contracting Entity pursuant to this Bid or Proposal is exempt or confidential under a specific state or federal statute, and therefore not subject to public access under the Oklahoma Open Records Act, you must comply with the following:

1. Place said documents/records in a separate electronic file attachment marked "Confidential". DO NOT label your entire Bid or Proposal as "Confidential" – label only those portions of the Bid or Proposal that you feel are exempt or are made confidential by state or federal law as "Confidential".
2. For each such document for which you are claiming an exemption or a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. § 85 *et seq.*

Should an Open Records request be presented to the Contracting Entity requesting information you have identified as "Confidential," you will be responsible for defending your position in the District Court, if needed.

If you fail to identify any records submitted as part of your Bid or Proposal as "Confidential", you are agreeing that said records are not exempt or confidential and are subject to public access.

Upon receipt of a request by a third party to review or copy records properly identified as "Confidential," you will be notified of the request and thereby given an opportunity to immediately enforce and protect your rights by initiating an action in a court of competent jurisdiction. Should you fail to timely bring an action to enforce your rights, then the requested records will be released by the Contracting Entity based upon its determination of the application of the Oklahoma Open Records Act.

This Pricing Agreement/Contract requires that Contracting Entity, including The City of Oklahoma City and its participating public trusts to this Contract/Agreement whether named herein or by reference only, be named as additional insured on the Bidder’s insurance policies, except Worker’s Compensation and Employer’s Liability Insurance, to the full limits of the policies and consistent with the same coverages available to the named insured. Any blanket additional insured endorsement which limits coverages to any Contracting Entity is not compliant with this Pricing Agreement/Contract and shall be considered a breach. Contracting Entity must be provided with a Certificate of Insurance or Endorsement evidencing Contracting Entity’s additional insured status prior to contract award. The policy description shall state the following: “Additional insured(s) on the listed policies are those required in the contract.”**

Unless otherwise approved by the Contracting Entity prior to contract award, self-insured retentions will not be accepted unless accompanied by a bond or irrevocable letter of credit guaranteeing payment of the losses, related investigations, claim administration, and defense expenses not otherwise covered by the Bidder’s self-insured retention.

UNDUE INFLUENCE: Upon advertising this solicitation, no officer, employee, agent, or representative of the Bidder shall have any contact or discussion, verbal or written, with any representative of the Contracting Entity (i.e. Trust Officer, City Council member, City staff, etc.) either directly or indirectly through others in which the Bidder seeks to influence any representative of the Contracting Entity regarding any matters pertaining to this solicitation.

Contacts by the Bidder with the Contracting Entity that do not pertain to a solicitation are exempt from this provision. Examples of these exempt contacts are:

- Private, non-business, contacts with the Contracting Entity by the Bidder's employees acting in their personal capacity
- Business contacts outside of this solicitation that the Contracting Entity may have with the Bidder
- Presentations and/or responses to inquiries initiated by the Contracting Entity
- Pre-bid or pre-proposal conferences
- Discussions with The City Procurement Agent, buyer or departmental contact as outlined in the bid packet

If a representative of any Bidder submitting a bid violates the foregoing prohibition by contacting any of these parties, such contact may result in the Bidder being disqualified from the procurement process.

ESCALATION/DE-ESCALATION: Bidder may request a price increase or decrease if the Bidder shows satisfactory proof to the Contracting Entity that a price change is justified and beyond the scope of the Bidder's control. It is understood that any percentage or discount offered to the Contracting Entity will remain firm for the duration of the Pricing Agreement/Contract. However, within 10 days of any approved changes in the price list(s) bid, Bidder may furnish the Procurement Services Division three copies of the new price list(s). BID SPECIFICATIONS

Technical Provisions

INTENT: To enter into pricing agreements for planned and emergency plumbing and gas line repair services for various City departments and Trusts to make purchases as needed.

Successful Bidders will be expected to own, or have access to, any equipment required to perform plumbing or gas line repairs encountered during the normal operations for this type of business. Consideration for the cost of rental, by the Bidder of any large equipment which they do not possess, will only be acknowledged on an individual basis, after the Bidder has justified the need to end users.

The Bidder shall have a maximum of two hours to respond to a call from the end user. If it is necessary for a using Department to contact the Bidder after hours, on weekends or on holidays, the Bidder shall have a maximum of thirty minutes to respond to a call from the Department's representative. It is required that successful Bidders be able to respond to repair calls for locations throughout the Oklahoma City Metropolitan Area within two hours after confirmation of a valid purchase order or purchasing card number from the Department's representative.

PERMITS, FEES AND LICENSES: All permits, fees and licenses as required by federal, state and local regulations shall be paid by the Bidder as a part of the normal cost of doing business. No special permits, fees and/or licenses shall be paid by the Contracting Entity.

STANDARDS OF PERFORMANCE: All work performed under this pricing agreement shall conform to standard licensed Plumbing and Gas Fitter Bidder's performance specifications, and the materials used shall perform the functions for which they were designed and manufactured. All work shall be conducted in a neat, workmanlike manner which shall result in a safe, secure job, meeting all codes under which the work falls.

LOCAL BIDDER/EMERGENCY RESPONSE: It shall be required under this contract that successful Bidders respond within thirty minutes to a notification from an end user. It shall be required under this contract that successful Bidders report to any designated work site within the Greater Oklahoma City Metropolitan Area within two hours from the time that Bidder returns the end user's original call. Successful Bidders shall provide the Contracting Entity with twenty-four-hour emergency notification information which shall be used after-hours, on weekends and on holidays. Information shall include regular office number and office hours; mobile phone numbers; and alternate contact numbers.

Failure of the Bidder to return a call within thirty minutes or to be on a work site within two hours may result in the using Department's utilization of another Bidder. Repeated failures by the Bidder to respond in a timely manner to perform work for which they are contracted may be considered grounds for the cancellation of the pricing agreement.

OVERTIME HOURS: The Contracting Entity may authorize the Bidder to work overtime as a normal condition of this pricing agreement. Overtime hours shall be charged only after proper authorization from the Contracting Entity's designated representative. This work is to be billed to the Contracting Entity at the overtime rate for labor actually worked. Overtime hours shall

include weekends, holidays and work performed between the hours of 5:00 p.m. to 8:00 a.m. Monday through Friday. The Contracting Entity reserves the right to have its own employees present on all work sites to observe and/or confirm actual work accomplished, as well as materials used by the Bidder.

SUB-CONTRACTOR: Only the Contracting Entity may authorize the Bidder to sub-contract work should it become necessary to do so. Sub-contractor will carry necessary insurance as required by the City of Oklahoma City. NO SUB-CONTRACTING WORK SHALL BE PERFORMED UNDER THIS PRICING AGREEMENT WITHOUT THE EXPRESS PRIOR APPROVAL OF THE CONTRACTING ENTITY'S DESIGNATED REPRESENTATIVE.

Should the Bidder sub-contract work after approval from the Contracting Entity, the Contracting Entity shall be billed at the subcontractor's price plus percent for profit and overhead. When sub-contracted work has been performed, which has been authorized and approved by the Contracting Entity, the sub-contractor's detail of work performed, and Bidder's invoice must be attached to the Bidder's invoice indicating the percentage of mark-up cost to the Contracting Entity.

The Contracting Entity shall not be held liable for sub-contractor's work performed without the prior approval of the authorized representative from the using department of The City of Oklahoma City.

MATERIALS COSTS: Throughout the course of this contract, for **all materials** provided by the Bidder(s) in connection with work performed for the Contracting Entity, the **materials per line-item cost shall be attached to the vendor's invoice**, indicating the original cost to the vendor and the vendor's percentage of mark-up cost to the Contracting Entity.

TOOLS AND CLOTHING COSTS: The Contracting Entity **shall neither be liable nor be invoiced** by the successful Bidder for any tools, footgear, clothing and/or protective clothing, etc. required to complete a plumbing and/or gas line work order requested by the Contracting Entity.

BIDDER PAYMENTS: The successful Bidder shall be paid for one full hour per employee for work performed **during the first hour or less on the job site**. Thereafter the successful Bidder shall be paid in hour increments of fifteen, thirty, forty-five, and sixty minutes per employee for work performed on the jobsite until the completion of the job. The time for computing man-hour wages charged to the Contracting Entity shall not commence until the time of arrival of the Bidder on the job site. The Contracting Entity will expect that the Bidder's record of time spent on the job site will closely match the record of the job turned in by the Field Supervisor (or their designated alternate) assigned to that job.

The Contracting Entity reserves the right to determine whether or not the work at any job site requires more than one person to perform the actual work. The Contracting Entity **shall not be responsible** for excess hour payments to the vendor in instances where the Contracting Entity's representative has made the determination, after evaluating the job-site requirements, that the work there requires only one person.

RENTAL OF HEAVY EQUIPMENT: If the completion of a particular job requires the use of rented heavy industrial equipment, the successful Bidder may use The Contracting Entity's existing rental contracts upon approval of Contracting Entity's Procurement Services Division and the contracted vendor.

If the using Department has available equipment and is agreeable, The Contracting Entity's equipment may be used in instances where equipment rental may cause considerable delay on the job site. For insurance purposes, this equipment must be operated by a full-time employee of The Contracting Entity.

The Contracting Entity will not be liable for rental rates for the use of any equipment which is owned by the successful Bidder. Small equipment (drain cleaner, compressor, pump, generator, etc.) typically regarded as necessary for plumbing services, will be expected to be owned and maintained by the successful bidder. The Contracting Entity will not accept responsibility for maintenance, upkeep, or cleaning costs of this type of equipment.

With justification and the prior approval of the Contracting Entity's representative, the successful Bidder may rent heavy industrial equipment at the percentage mark-up bid; however, the successful bidder **must** submit a certified copy of that specific rental agreement along with the invoice for payment of the purchase order.

COST OVERRUNS: Cost overruns, without justification, shall not be the responsibility of The Contracting Entity. **Repeated or consistent cost overruns shall be deemed grounds for cancellation of the pricing agreement by the Contracting Entity.**

WEEKENDS, HOLIDAYS AND AFTER HOURS: The Bidder is required to respond to emergency contacts from 5:00 p.m. through 8:00 a.m. each night of the week, as well as from 5:00 p.m. Friday through 8:00 a.m. Monday and on all City holidays. Failure of the Contractor to respond to notification from the Contracting Entity may result in termination of the pricing agreement. In this event, this information will be considered during bid evaluation for future contract awards for these services. The Contracting Entity reserves the right to use secondary or open market contractors in the event the successful Contractor does not respond within the previously stated time frames.

BID EVALUATION: Bids will be evaluated on price, references, and the ability to meet the required specifications. Multiple pricing agreements may be awarded. Non-emergency purchases over \$5,000 will require quotes from at least three contracted Bidders prior to a purchase order being issued.

QUOTES: The Contracting Entity does not pay vendors to quote on a project. Vendors are not expected to quote all jobs but are encouraged to provide quotes upon request by departments. This document/pricing agreement will supersede any terms and conditions submitted on a vendor's quote and/or invoice.

Technical questions are to be addressed through the electronic bidding system and the Buyer will respond electronically and issue addenda, if necessary.

Pricing must be submitted through the Line Item area of the electronic bidding system.

15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.

CONTRACTOR/VENDOR BACKGROUND CHECKS FOR ACCESS TO OR WORK IN CITY AND TRUST BUILDINGS AND STRUCTURES

The City has established a policy to better secure City and/or Trust owned or operated buildings and structures by requiring background and fingerprint checks of Non-City employees as a condition precedent to entering City and/or Trust buildings and structures. **Contractor/vendor employees and agents who will be required to enter City and Trust buildings and structures to perform a City or Trust Contract will be required to obtain and provide an Oklahoma State Bureau of Investigation background and fingerprint check to the General Service Director or designee before such Contractor/Vendor employee or agent will be permitted to enter City and/or Trust buildings and structures unescorted, at their cost.**

The General Services Director will establish and maintain a list of Non-City employees authorized to enter City and/or Trust buildings and structures. Background and fingerprint records will be maintained by the General Services Department in a secure location within the City's internal network. Said records will be destroyed within sixty days of: 1) final acceptance by the City Council in the case of construction projects, 2) termination or expiration of a procurement pricing agreement, 3) termination or expiration of an engineering, architectural or planner agreement, or 4) termination or expiration of a professional services agreement, unless the Contractor/Vendor has another contractor or agreement. The City reserves the right and authorizes the General Services Director or designee to request and require any such background check be updated and resubmitted. In addition, the Contractor/Vendor acknowledges and agrees that Contractor/Vendor employees and agents will be asked to verify their identity with a government issued picture identification (Driver's License, Passport, Oklahoma issued Identification Card) from the employee or agent's state of residence to enter City and/or Trust owned or operated buildings and structures.

Arrest and/or conviction records may disqualify Contractor/Vendor employees or agents from access or for work in City or Trust buildings and structures.

In addition to the Sex Offenders Registration Act (57 O.S. Section 581 *et seq.*) and the Mary Rippey Violent Crime Offenders Registration Act (57 O.S. Section 591 *et seq.*), the following criteria will be used when reviewing Contractor/Vendor employee or agent requests for building access:

- (a) Any unpardoned felony conviction or plea of nolo contendere may be disqualifying, depending on the nature of the conviction and the relation to the scope of the contract or price agreement, except under the following circumstances:
1. Access to City or Trust buildings and structures is contingent upon successful completion of two (2) years of a deferred or suspended sentence (if the sentence exceeds two (2) years), otherwise, after successfully serving the complete sentence. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom the individual has worked within the last two years. Situations where the applicant is unable to provide a written reference from an employer with whom the individual has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.
 2. Applicants convicted of a felony and ordered to serve time with the Department of Corrections may be eligible for access, depending on the nature of the conviction and the position sought, two (2) years from the date of parole. Applicants must submit two (2) favorable written references, one (1) of which must be from an employer with whom he or she has worked within the last two (2) years will be reviewed by the General Services Director or designee on a case-by-case basis.

- (b) Any unpardoned conviction(s) involving the following offenses may be disqualifying: moral turpitude; non-consensual sex acts; distribution or trafficking of controlled dangerous substances; assault and battery with a dangerous weapon, or any offense involving a minor as a victim.
- (c) Any applicant who has been convicted of a felony, is a current defendant of a Victim Protection Order (VPO) or has been convicted of a misdemeanor crime of Domestic Violence, will not be considered for facility access. Misdemeanor convictions and traffic violations will be evaluated on an individual basis and may be disqualifying.
- (d) Any applicant with a pending felony or misdemeanor charge (other than minor traffic violations) will be ineligible for access, until a final disposition of the charge is made.
- (e) Any conviction that has been pardoned or expunged cannot be considered in a facility access decision.

If it is determined that information obtained through the applicant's OSBI criminal records check makes the applicant unsuitable for access to City or Trust buildings or structures, the General Services Department will notify the applicant immediately and provide a copy of any criminal record information.

- (a) The applicant will be given seven (7) business days to provide information that negates the validity and relevance of the criminal record. If the information obtained through the criminal records check cannot be invalidated by the applicant, the applicant will be denied facility access.
- (b) In determining an applicant's suitability for facility access, the General Services Department will consider information including, but not limited to the following:
 - 1. Relevance of the crime to the proposed work to be performed.
 - 2. Nature of the work to be performed;
 - 3. Recency of the conviction;
 - 4. Sensitivity of and potential risk to accessible information, systems, or equipment; and
 - 5. Potential risk or threat to City employees.

Upon approval of a contract or agreement by the City Council/Trust, the successful Contractor(s)/Vendor(s) will be required to submit to the General Services Department the following completed documents for **each** employee requiring access to City or Trust buildings and structures to fulfill the terms of the contract or agreement.

- 1. Non-Employee Building Access Request Form – available upon request at (405) 297-2123
- 2. OSBI Criminal History Information Request Portal Response – available at <http://www.ok.gov/osbi/CriminalHistory/CHIRP>

GENERAL INSTRUCTIONS AND REQUIREMENTS FOR BIDDERS

THESE INSTRUCTIONS, REQUIREMENTS AND ANY SPECIAL INSTRUCTIONS CONTAINED IN THE SPECIFICATIONS ARE A PART OF THE TERMS AND CONDITIONS OF THE BIDDER'S IRREVOCABLE BID AS A FIRM OFFER. ANY EXCEPTIONS TO THESE INSTRUCTIONS, REQUIREMENTS OR SPECIFICATIONS MUST BE SPECIFIED AND SUBMITTED WITH THE BIDDER'S BID. THIS CAN BE ACCOMPLISHED BY SUBMITTING AN ALTERNATE OFFER, IF AVAILABLE ON THE BID, OR BY ENTERING INFORMATION INTO THE "NOTE TO BUYER" FIELD. A BIDDER MAY ALSO SUBMIT EXCEPTIONS BY UPLOADING A SEPARATE DOCUMENT LABELED "EXCEPTIONS" INTO THE PERISCOPE SYSTEM. FAILURE TO INDICATE ANY EXCEPTIONS WILL BE REGARDED AS FULL ACCEPTANCE OF THE REQUIREMENTS, INSTRUCTIONS, AND SPECIFICATIONS CONTAINED IN THIS BID PACKET AND ANY OTHER BID DOCUMENTS RELATED TO THIS BID.

1. **EXAMINATION BY BIDDERS:** All Bidders must examine the specifications, drawings, schedules, special instructions and these general instructions and requirements prior to electronically submitting any Bid/Pricing Agreement/Contract. Failure to examine is at the Bidder's own risk as Bidder will be held to the terms, conditions and requirements therein.
2. **SUBMISSION OF FORMS REQUIRED FOR PRICING AGREEMENT/CONTRACT AWARD:** All bids must be completed electronically, on the forms provided by the Contracting Entity through the electronic bidding system. Bids will not be considered unless the Bid/Pricing Agreement/Contract form is completed, signed and submitted by the Bidder in the electronic bidding system. A Letter of Authorization should also be attached and submitted when the Bidder is not authorized by statute and the Bidder's organizational and establishing documents to sign and bind the Bidder to the Bid/Pricing Agreement/Contract documents. The Non-Collusion Affidavit must be executed by the Bidder or an authorized agent and notarized. The notarization must contain:
 - (a) The notary's signature (electronic signature);
 - (b) Jurisdiction where notarization took place (i.e., State of __, County of __);
 - (c) Date of notarization;
 - (d) The notary's commission expiration date;
 - (e) The notary's commission number (Oklahoma);
 - (f) The notarial seal (the notary seal is not required for electronic notarization); and
 - (g) Comply with all other applicable laws. The Non-Collusion Affidavit must be submitted electronically with the electronic bid packet.
3. **SUBMISSION OF BIDS ELECTRONICALLY TO THE CITY CLERK/SECRETARY:** Bids must be submitted electronically through Periscope and shall be opened at the time stated in the Notice to Bidders, or later, in the City Clerk's Conference Room, located on the 2nd floor of the Municipal Building. The Periscope system does not allow bids to be submitted after the deadline. There will be no exceptions to this policy. All bids shall remain on file at least 48 hours thereafter before a Pricing Agreement/Contract shall be made and entered into thereon.
4. **DESCRIPTIVE TERMS:** Unless the term "no substitute" is used, the use of brand name, manufacturer, make, or catalog designation in describing an item does not restrict Bidders to that particular brand name, etc. The term is simply to indicate the type, character, quality and/or performance equivalence of the item desired. However, the proposed substitution item must be of such character, quality and/or performance equivalence as that indicated in the specifications. A proposed substitute item must include complete data as to the manufacturer's name, type, model number, any descriptive bulletins and specifications. This data can be uploaded electronically through the electronic bidding system.
5. **EXCEPTIONS:** Any exceptions or variances to these instructions or specifications must be submitted with the Bidder's bid. This can be accomplished by submitting an alternate offer, if available on the bid, or by entering information in the "Note to Buyer" field. A Bidder may also submit exceptions by uploading a separate document labeled "Exceptions" into the Periscope system. Failure to indicate any exceptions will be construed to mean that the Bidder offers to furnish the exact commodity as described in the bid specifications and as full acceptance of the requirements, instructions, and specifications contained in this bid packet and any other bid documents related to this bid.
6. **UNIT PRICES:** A unit price for each unit bid must be shown and include any applicable taxes, delivery, and packaging and/or packing, if any, unless otherwise specified. If there is an estimated quantity stated as such in the specifications, the estimate is not a guarantee of the quantity which may be purchased. When the quantity in the Periscope system is listed as "1", Bidder shall bid the per individual unit price. The Contracting Entity may purchase one or more bid item at any given time throughout the term of the Pricing Agreement/Contract. The Periscope system will calculate the total based on the quantity requested by the Contracting Entity and the price entered by the Bidder. The Periscope system will calculate the bid price based on the quantity and price. Items bid as an estimated quantity will be awarded on a "no guarantee" basis. Prices shall be extended in decimals, not fractions, and shall include transportation and delivery charges, prepaid by the Bidder to the destination specified in the special instructions of the specifications.
7. **EXEMPTIONS FROM CERTAIN TAXES:** The purchase of certain goods or services by the Contracting Entity is exempt from the payment of excise, transportation, use, and sales tax imposed by the federal, state and/or city

governments. Such taxes must not be included in the bid prices. Any taxes that are not exempt must be included in the bid price. No additional payment or compensation will be made for taxes.

8. PAYMENTS AND DISCOUNTS:

- (a) Payment for goods and services as specified in the Pricing Agreement/Contract shall be processed promptly after completion of delivery and acceptance of items and after receipt from Bidder of properly prepared invoice(s) and/or notarized claim voucher(s), if applicable. Purchases may be made by certain City or Trust employees using a purchasing card. Employees of Contracting Entity are required, when possible, to use a purchasing card for purchases under the amount of \$5,000 for a single transaction. For single transactions over \$5,000, the Bidder may request payment be completed by issuance of a purchase order. Processing fees may not be added when a purchasing card is used. The bid price shall cover any fees a bidder may incur.
- (b) Discounts for prompt payment will not be considered in bid evaluations, unless otherwise specified. Discounts offered by the Bidder will be taken, however, if payment is made within the discount period.
- (c) Late charges cannot be assessed against Contracting Entity.

9. LATE INVOICES: If the purchase order indicates that the purchase is being made with City funds, all unpaid invoices pertaining to this Pricing Agreement/Contract must be recorded in the Finance Department, Accounts Payable Section, or in the Office of the City Clerk on or before September 30 for all debts incurred during the prior fiscal year (July 1 through June 30), or said invoice shall be void and forever barred. (See 62 Okla. Stat. 2010 § 310.4).

10. DELIVERY:

- (a) All bid prices quoted shall be based on delivery F.O.B. Oklahoma City, Oklahoma or to any points located within the municipal corporate limits (unless otherwise stated in the bid specifications) with all charges prepaid to the actual point of delivery.
- (b) Bids must show the number of days required for delivery under normal conditions. Unrealistically short or long delivery promises may cause bids to be rejected. A successful Bidder is required to keep the purchasing department advised at all times of the status of the order and delivery. All goods or services shall be delivered within thirty (30) days from the date of the award of the Pricing Agreement/Contract, unless specified otherwise.

11. AWARD OF PRICING AGREEMENT/CONTRACTS: The Contracting Entity reserves the rights to: award by item, groups of items or all items of the bid; to reject any or all bids in whole or in part; and, waive technical defects, irregularities and/or omissions.

The Bidder shall pay all royalties and charges which are legal, and equitable evidence of such payment or satisfaction shall be submitted upon request of the Contracting Entity, as a necessary requirement in connection with the final execution of any Agreement/Contract in which patented or licensed appliances, products, or processes are to be used.

14. TERMINATION:

- (a) The performance of services and/or the delivery of items under any Pricing Agreement/Contract may be terminated by the Contracting Entity, in whole or in part, whenever it is determined to be in the best interest of the Contracting Entity.
- (b) Any such termination will be effected by delivery to the Bidder of a termination notice specifying the extent to which performance or services and/or delivery of ordered commodities is terminated, and the date the termination becomes effective.
- (c) After receipt of a termination notice, the Bidder shall stop performance of services and/or accept no further orders under the Pricing Agreement/Contract.

15. COMPLIANCE WITH APPLICABLE LAWS: All Proposers must comply with all applicable federal, state or local laws and regulations, including Title VI and all provisions of the Civil Rights Act of 1964 42, U.S.C. §§ 2000d, -et seq.

16. SELF-INSURED: The Contracting Entity is self-insured for its own negligence. The liability of the Contracting Entity for acts of negligence are limited and subject to the Governmental Tort Claims Act, 51 O.S. §§ 151, *et seq.*

17. RIGHT TO AUDIT: The Contracting Entity shall at all times have the right to examine books, papers and records of the successful Bidder relative to all aspects of the Pricing Agreements/Contracts awarded as a result of this bid to confirm Pricing Agreement/Contract compliance. Failure to provide the requested information may result in termination of the Pricing Agreement/Contract. 18. REFERENCES: The Contracting Entity has the right to request references from bidders.

19. BID EVALUATION: Bids will be evaluated based upon the lowest overall cost to the Contracting Entity and a bidder's responsiveness to the requirements of the specifications. The Contracting Entity retains the right to waive minor deficiencies of specifications, technicalities or informalities in a bid, provided that the best interest of the Contracting Entity would be served without prejudice to the rights of other bidders.

OKLAHOMA OPEN RECORDS ACT AND CONFIDENTIAL INFORMATION

All materials submitted to the Contracting Entity pursuant to this Bid or Proposal potentially become subject to the mandates of the Oklahoma Open Records Act, 51 O.S. § 24A.1. *et seq.* The purpose of this Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records," as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create a specific and express exemption or confidential privilege, persons who submit information to public bodies have no right to keep this information from public access nor have a reasonable expectation that this information will be kept from public access.

If you believe that any of the information you have submitted to the Contracting Entity pursuant to this Bid or Proposal is exempt or confidential under a specific state or federal statute, and therefore not subject to public access under the Oklahoma Open Records Act, you must comply with the following:

1. Place said documents/records in a separate electronic file attachment marked "Confidential". DO NOT label your entire Bid or Proposal as "Confidential" – label only those portions of the Bid or Proposal that you feel are exempt or are made confidential by state or federal law as "Confidential".
2. For each such document for which you are claiming an exemption or a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. § 85 *et seq.*

Should an Open Records request be presented to the Contracting Entity requesting information you have identified as "Confidential," you will be responsible for defending your position in the District Court, if needed.

If you fail to identify any records submitted as part of your Bid or Proposal as "Confidential", you are agreeing that said records are not exempt or confidential and are subject to public access.

Upon receipt of a request by a third party to review or copy records properly identified as "Confidential," you will be notified of the request and thereby given an opportunity to immediately enforce and protect your rights by initiating an action in a court of competent jurisdiction. Should you fail to timely bring an action to enforce your rights, then the requested records will be released by the Contracting Entity based upon its determination of the application of the Oklahoma Open Records Act.

2. Upon receipt of the Contracting Entity's preliminary notice, the Bidder shall, if desired,

submit a written agreement to continue Pricing Agreement/Contract performance for an additional one-year period.

3. Should the Contracting Entity exercise this option for renewal, the Pricing Agreement/Contract as renewed shall be deemed to include this option provision except that the total duration of this Pricing Agreement/Contract, including any renewals, shall not exceed three years without approval of the Contracting Entity.

BID SPECIFICATIONS

Technical Provisions

INTENT: To enter into pricing agreements for planned and emergency plumbing and gas line repair services for various City departments and Trusts to make purchases as needed.

Successful Bidders will be expected to own, or have access to, any equipment required to perform plumbing or gas line repairs encountered during the normal operations for this type of business. Consideration for the cost of rental, by the Bidder of any large equipment which they do not possess, will only be acknowledged on an individual basis, after the Bidder has justified the need to end users.

The Bidder shall have a maximum of two hours to respond to a call from the end user. If it is necessary for a using Department to contact the Bidder after hours, on weekends or on holidays, the Bidder shall have a maximum of thirty minutes to respond to a call from the Department's representative. It is required that successful Bidders be able to respond to repair calls for locations throughout the Oklahoma City Metropolitan Area within two hours after confirmation of a valid purchase order or purchasing card number from the Department's representative.

PERMITS, FEES AND LICENSES: All permits, fees and licenses as required by federal, state and local regulations shall be paid by the Bidder as a part of the normal cost of doing business. No special permits, fees and/or licenses shall be paid by the Contracting Entity.

STANDARDS OF PERFORMANCE: All work performed under this pricing agreement shall conform to standard licensed Plumbing and Gas Fitter Bidder's performance specifications, and the materials used shall perform the functions for which they were designed and manufactured. All work shall be conducted in a neat, workmanlike manner which shall result in a safe, secure job, meeting all codes under which the work falls.

LOCAL BIDDER/EMERGENCY RESPONSE: It shall be required under this contract that successful Bidders respond within thirty minutes to a notification from an end user. It shall be required under this contract that successful Bidders report to any designated work site within the Greater Oklahoma City Metropolitan Area within two hours from the time that Bidder returns the end user's original call. Successful Bidders shall provide the Contracting Entity with twenty-four-hour emergency notification information which shall be used after-hours, on weekends and on holidays. Information shall include regular office number and office hours; mobile phone numbers; and alternate contact numbers.

Failure of the Bidder to return a call within thirty minutes or to be on a work site within two hours may result in the using Department's utilization of another Bidder. Repeated failures by the Bidder to respond in a timely manner to perform work for which they are contracted may be considered grounds for the cancellation of the pricing agreement.

OVERTIME HOURS: The Contracting Entity may authorize the Bidder to work overtime as a normal condition of this pricing agreement. Overtime hours shall be charged only after proper authorization from the Contracting Entity's designated representative. This work is to be billed to the Contracting Entity at the overtime rate for labor actually worked. Overtime hours shall

include weekends, holidays and work performed between the hours of 5:00 p.m. to 8:00 a.m. Monday through Friday. The Contracting Entity reserves the right to have its own employees present on all work sites to observe and/or confirm actual work accomplished, as well as materials used by the Bidder.

SUB-CONTRACTOR: Only the Contracting Entity may authorize the Bidder to sub-contract work should it become necessary to do so. Sub-contractor will carry necessary insurance as required by the City of Oklahoma City. NO SUB-CONTRACTING WORK SHALL BE PERFORMED UNDER THIS PRICING AGREEMENT WITHOUT THE EXPRESS PRIOR APPROVAL OF THE CONTRACTING ENTITY'S DESIGNATED REPRESENTATIVE.

Should the Bidder sub-contract work after approval from the Contracting Entity, the Contracting Entity shall be billed at the subcontractor's price plus percent for profit and overhead. When sub-contracted work has been performed, which has been authorized and approved by the Contracting Entity, the sub-contractor's detail of work performed, and Bidder's invoice must be attached to the Bidder's invoice indicating the percentage of mark-up cost to the Contracting Entity.

The Contracting Entity shall not be held liable for sub-contractor's work performed without the prior approval of the authorized representative from the using department of The City of Oklahoma City.

MATERIALS COSTS: Throughout the course of this contract, for **all materials** provided by the Bidder(s) in connection with work performed for the Contracting Entity, the **materials per line-item cost shall be attached to the vendor's invoice**, indicating the original cost to the vendor and the vendor's percentage of mark-up cost to the Contracting Entity.

TOOLS AND CLOTHING COSTS: The Contracting Entity **shall neither be liable nor be invoiced** by the successful Bidder for any tools, footwear, clothing and/or protective clothing, etc. required to complete a plumbing and/or gas line work order requested by the Contracting Entity.

BIDDER PAYMENTS: The successful Bidder shall be paid for one full hour per employee for work performed **during the first hour or less on the job site**. Thereafter the successful Bidder shall be paid in hour increments of fifteen, thirty, forty-five, and sixty minutes per employee for work performed on the jobsite until the completion of the job. The time for computing man-hour wages charged to the Contracting Entity shall not commence until the time of arrival of the Bidder on the job site. The Contracting Entity will expect that the Bidder's record of time spent on the job site will closely match the record of the job turned in by the Field Supervisor (or their designated alternate) assigned to that job.

The Contracting Entity reserves the right to determine whether or not the work at any job site requires more than one person to perform the actual work. The Contracting Entity **shall not be responsible** for excess hour payments to the vendor in instances where the Contracting Entity's representative has made the determination, after evaluating the job-site requirements, that the work there requires only one person.

RENTAL OF HEAVY EQUIPMENT: If the completion of a particular job requires the use of rented heavy industrial equipment, the successful Bidder may use The Contracting Entity's existing rental contracts upon approval of Contracting Entity's Procurement Services Division and the contracted vendor.

If the using Department has available equipment and is agreeable, The Contracting Entity's equipment may be used in instances where equipment rental may cause considerable delay on the job site. For insurance purposes, this equipment must be operated by a full-time employee of The Contracting Entity.

The Contracting Entity will not be liable for rental rates for the use of any equipment which is owned by the successful Bidder. Small equipment (drain cleaner, compressor, pump, generator, etc.) typically regarded as necessary for plumbing services, will be expected to be owned and maintained by the successful bidder. The Contracting Entity will not accept responsibility for maintenance, upkeep, or cleaning costs of this type of equipment.

With justification and the prior approval of the Contracting Entity's representative, the successful Bidder may rent heavy industrial equipment at the percentage mark-up bid; however, the successful bidder **must** submit a certified copy of that specific rental agreement along with the invoice for payment of the purchase order.

COST OVERRUNS: Cost overruns, without justification, shall not be the responsibility of The Contracting Entity. **Repeated or consistent cost overruns shall be deemed grounds for cancellation of the pricing agreement by the Contracting Entity.**

WEEKENDS, HOLIDAYS AND AFTER HOURS: The Bidder is required to respond to emergency contacts from 5:00 p.m. through 8:00 a.m. each night of the week, as well as from 5:00 p.m. Friday through 8:00 a.m. Monday and on all City holidays. Failure of the Contractor to respond to notification from the Contracting Entity may result in termination of the pricing agreement. In this event, this information will be considered during bid evaluation for future contract awards for these services. The Contracting Entity reserves the right to use secondary or open market contractors in the event the successful Contractor does not respond within the previously stated time frames.

BID EVALUATION: Bids will be evaluated on price, references, and the ability to meet the required specifications. Multiple pricing agreements may be awarded. Non-emergency purchases over \$5,000 will require quotes from at least three contracted Bidders prior to a purchase order being issued.
