WHEREAS, various City Departments and Trusts have a continuing need to purchase building glass supplies, repair, and replacement services due to weather and other emergencies.

WHEREAS, these supplies and services are also needed when the General Services Department remodels or repairs City buildings at various locations; and

WHEREAS, individual projects exceeding \$25,000 will be formally bid and approved by the City Council; and

WHEREAS, due to the nature of the industry and the fluctuating cost of construction materials, suppliers are hesitant to agree to firm pricing for a one-year period; and
