WHEREAS, this document until executed by the Mayor/Chairman of the Contracting Entity constitutes the Bidder's proposal; and

NOW, THEREFORE, that in consideration of the covenants, agreements and representations as hereinafter set forth, it is mutually agreed by the parties that:

1. The Bidder agrees to sell and deliver to the Contracting Entity, the items of material and/or services, specified in the pricing section of the electronic bid submittal, which is attached hereto and made a part of this Pricing Agreement/Contract. 3. The Bidder understands that all bids are to be submitted in U.S. dollars at a firm price. Bids submitted in any currency other than U.S. dollars will be rejected.

at the Bidder's risk. The Contracting Entity may, at the Bidder's direction, make available such goods to be returned to the Bidder at the Bidder's risk, and all transportation charges, both to and from the original destination, shall be paid by the Bidder. Any payment for such goods shall be refunded by the Bidder unless the Bidder promptly corrects or replaces the same at the Bidder's expense.

6. The Contracting Entity agrees to pay to the Bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contracting Entity, of the material and/or service[s] above described and upon the filing by the Bidder, and approval by the Contracting Entity, of a verified claim for the amount due.

7. The Bidder agrees, in connection with the performance of work under this Pricing Agreement/Contract:

a. That the Bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. The Bidder shall take affirmative action to ensure that employees are treated without regard to their race, creed, color, age, national origin, sex, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;

b. That the Bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Pricing Agreement/Contract.

8. In the event of the Bidder's non-compliance with the above non-discrimination clause, this Pricing Agreement/Contract may be canceled or terminated by the Contracting Entity. The Bidder may be declared by the Contracting Entity ineligible for further Pricing Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Bidder.

9. The risk of loss or damage shall be borne by the Bidder at all times until the acceptance of goods, properly packed, by the Contracting Entity.

10. This Pricing Agreement/Contract, specifications, electronic bid submittal documents and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this Pricing Agreement/Contract. This Pricing Agreement/Contract may not be modified or assigned unless approved in writing and signed by both parties.

11. The parties assume and understand that the variables in the Bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the Bidder's costs will not alter the Bidder's obligations under this Pricing Agreement/Contract nor excuse performance or delay on the Bidder's part.

12. This Pricing Agreement/Contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the Bidder has any commercially reasonable alternative method of performing this Pricing Agreement/Contract by purchase on the market or otherwise, the Bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this Pricing Agreement/Contract were destroyed or their delivery delayed because of an event described above.

13. The shipping or receiving of any goods under this Pricing Agreement/Contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.

14. This Pricing Agreement/Contract shall be governed by the laws of the State of Oklahoma.

15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.

16. If submitting a bid for services, the Bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the status Verification System. The Status Verification System is defined in 25 O.S. §1312 and includes but is not limited to the free Employment Verification Program (E-Verify) through the Department of Homeland Security and available at www.dhs.gov/E-Verify.

Pricing/Catalog

In place of printed price sheets, O'Reilly Auto Parts would like to use our on-line catalog lookup and ordering system, FirstCall Online. Below you will be provided with a brief set of instructions for the FirstCall Online website.

- 1) Please navigate your browser to www.firstcallonline.com
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The catalog discount will be list price less 41% or better. The cost column will reflect the purchasing entity's price with all discounts.

The screenshot shows the FirstCall Online website interface. The top navigation bar includes links for Catalog Lookup, Quick Order, Manage Customers, Quotes & Orders, and Part Interchange. The main content area displays the 'Brake Rotor' product page for a 2008 Ford F-150. The page includes a sidebar with 'Current Lookup' and 'Vehicle Attributes'. The main table lists four different brake rotor options with their respective list prices, costs, and availability. Red annotations highlight specific elements: 'PARTS AVAILABLE AT STORE' points to the 'Store(2)' availability indicator; 'CLICK THIS TO ADD PART TO QUOTE' points to the 'Add' button; 'PARTS AVAILABLE AT WAREHOUSE' points to the 'DC(2)' availability indicator; 'LIST PRICE' and 'YOUR COST' point to the respective price columns; 'CLICK HERE AFTER YOU ADD YOUR PART TO PROCEED ONTO YOUR QUOTE' points to the 'Go To Quote' button at the bottom right.

Warranty

O'Reilly will pass through all available manufacturer's warranties. Because all O'Reilly store locations are corporately owned, warranty claims and replacements can be processed at any O'Reilly Auto Parts location. Warranty details are provided for each part in the online catalog.

Transportation Terms

Delivery and "hot shot" services available at no charge. Transportation terms shall be FOB Destination, shipped by O'Reilly company vehicle. In cases of factory order items, standard shipping rates will apply.

Payment Terms and Invoices

Standard terms for Prompt Payment Discount are 2% 10th, net 20 excluding credit card payments.

Distribution

Distribution will be made by a local O'Reilly Store location, by a company delivery truck.

Core Charges

Core pick-ups will occur as needed, hourly, daily, or weekly. O'Reilly will tailor the pick-up schedule to the needs of each agency. Cores will be credited on the same day they are received. Any core that is damaged or returned in an otherwise non-rebuildable condition will be billed to the customer at the manufacturer's listed core price.

Delivery Time

Normal delivery time for most stocked items is 1 hour. Non-stocked items are usually delivered the next business day. Emergency items usually follow the same guidelines, but are also handled on a case by case basis. Delivery is available only for locations within 10 miles of an O'Reilly location.

Return Policy

O'Reilly will return any item that was purchased through the contract for full credit that has been purchased in the last thirty days, and is unused, undamaged, in its original packaging and in resalable condition. Otherwise, a restocking fee of 20% may apply at Store Manager's discretion. All returns will be picked up within seven days of notification, by writing, fax, or email.

Pricing/Catalog

In place of printed price sheets, O'Reilly Auto Parts would like to use our on-line catalog lookup and ordering system, FirstCall Online. Below you will be provided with a brief set of instructions for the FirstCall Online website.

- 1) Please navigate your browser to www.firstcallonline.com
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The catalog discount will be list price less 41% or better. The cost column will reflect the purchasing entity's price with all discounts.

Warranty

O'Reilly will pass through all available manufacturer's warranties. Because all O'Reilly store locations are corporately owned, warranty claims and replacements can be processed at any O'Reilly Auto Parts location. Warranty details are provided for each part in the online catalog.

Transportation Terms

Delivery and "hot shot" services available at no charge. Transportation terms shall be FOB Destination, shipped by O'Reilly company vehicle. In cases of factory order items, standard shipping rates will apply.

Payment Terms and Invoices

Standard terms for Prompt Payment Discount are 2% 10th, net 20 excluding credit card payments.

Distribution

Distribution will be made by a local O'Reilly Store location, by a company delivery truck.

Core Charges

Core pick-ups will occur as needed, hourly, daily, or weekly. O'Reilly will tailor the pick-up schedule to the needs of each agency. Cores will be credited on the same day they are received. Any core that is damaged or returned in an otherwise non-rebuildable condition will be billed to the customer at the manufacturer's listed core price.

Delivery Time

Normal delivery time for most stocked items is 1 hour. Non-stocked items are usually delivered the next business day. Emergency items usually follow the same guidelines, but are also handled on a case by case basis. Delivery is available only for locations within 10 miles of an O'Reilly location.

Return Policy

O'Reilly will return any item that was purchased through the contract for full credit that has been purchased in the last thirty days, and is unused, undamaged, in its original packaging and in resalable condition. Otherwise, a restocking fee of 20% may apply at Store Manager's discretion. All returns will be picked up within seven days of notification, by writing, fax, or email.

Pricing/Catalog

In place of printed price sheets, O'Reilly Auto Parts would like to use our on-line catalog lookup and ordering system, FirstCall Online. Below you will be provided with a brief set of instructions for the FirstCall Online website.

- 1) Please navigate your browser to www.firstcallonline.com
- 2) Log into the customer portal
- 3) From this point you can look up parts by application, interchange, etc.
- 4) For any technical assistance please call: 1-800-934-2451.

The catalog discount will be list price less 41% or better. The cost column will reflect the purchasing entity's price with all discounts.

The screenshot shows the FirstCall Online interface for a 2008 Ford F-150. The main section is titled 'Brake Rotor' and contains a table of products. The table has columns for Description, List, Cost, Availability, and Quantity. The first row shows a 'Front BrakeBest Select Drum Rotor/Hub Brake Rotor' with a List Price of \$149.14 and a Cost of \$87.99. The second row shows a 'Front BrakeBest Select Drum Rotor/Hub Brake Rotor' with a List Price of \$188.12 and a Cost of \$110.99. The third row shows a 'Front BrakeBest Select Drum Rotor/Hub Brake Rotor' with a List Price of \$93.20 and a Cost of \$54.99. The fourth row shows a 'Front BrakeBest Select Drum Rotor/Hub Brake Rotor' with a List Price of \$106.76 and a Cost of \$62.99. The bottom row shows a 'Front BrakeBest Select Drum Rotor/Hub Brake Rotor' with a List Price of \$50.31 and a Cost of \$34.99. The 'Availability' column shows 'Store(2)' for the first two rows and 'DC(2)' for the last three rows. The 'Quantity' column shows '2' for all rows. The 'Add' button is present for each row. The 'Go To Quote' button is at the bottom right.

Warranty

O'Reilly will pass through all available manufacturer's warranties. Because all O'Reilly store locations are corporately owned, warranty claims and replacements can be processed at any O'Reilly Auto Parts location. Warranty details are provided for each part in the online catalog.

Transportation Terms

Delivery and "hot shot" services available at no charge. Transportation terms shall be FOB Destination, shipped by O'Reilly company vehicle. In cases of factory order items, standard shipping rates will apply.

Payment Terms and Invoices

Standard terms for Prompt Payment Discount are 2% 10th, net 20 excluding credit card payments.

Distribution

Distribution will be made by a local O'Reilly Store location, by a company delivery truck.

Core Charges

Core pick-ups will occur as needed, hourly, daily, or weekly. O'Reilly will tailor the pick-up schedule to the needs of each agency. Cores will be credited on the same day they are received. Any core that is damaged or returned in an otherwise non-rebuildable condition will be billed to the customer at the manufacturer's listed core price.

Delivery Time

Normal delivery time for most stocked items is 1 hour. Non-stocked items are usually delivered the next business day. Emergency items usually follow the same guidelines, but are also handled on a case by case basis. Delivery is available only for locations within 10 miles of an O'Reilly location.

Return Policy

O'Reilly will return any item that was purchased through the contract for full credit that has been purchased in the last thirty days, and is unused, undamaged, in its original packaging and in resalable condition. Otherwise, a restocking fee of 20% may apply at Store Manager's discretion. All returns will be picked up within seven days of notification, by writing, fax, or email.

NOW, THEREFORE, that in consideration of the covenants, agreements and representations as hereinafter set forth, it is mutually agreed by the parties that:

1. The Bidder agrees to sell and deliver to the Contracting Entity, the items of material and/or services, specified in the pricing section of the electronic bid submittal, which is attached hereto and made a part of this Pricing Agreement/Contract. 2. The Bidder expressly warrants that all articles, material, and/or work covered in this Pricing Agreement/Contract will conform to the specifications and electronic bid documents attached to this bid and are hereby incorporated, as if set forth in full herein; and further warrants that the same shall be of good material and workmanship, and free from defects.

3. The Bidder understands that all bids are to be submitted in U.S. dollars at a firm price. Bids submitted in any currency other than U.S. dollars will be rejected.

4. The Bidder also understands that all invoices shall be submitted in U.S. dollars and agrees to accept payment in U.S. dollars as full satisfaction of the invoiced amount.

risk, and all transportation charges, both to and from the original destination, shall be paid by the Bidder. Any payment for such goods shall be refunded by the Bidder unless the Bidder promptly corrects or replaces the same at the Bidder's expense.

6. The Contracting Entity agrees to pay to the Bidder the price and amount in accordance with Paragraph 1 above, based on the quantity actually purchased, upon delivery to and acceptance by the Contracting Entity, of the material and/or service[s] above described and upon the filing by the Bidder, and approval by the Contracting Entity, of a verified claim for the amount due.

7. The Bidder agrees, in connection with the performance of work under this Pricing Agreement/Contract:

a. That the Bidder will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Bidder agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;

b. That the Bidder agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Pricing Agreement/Contract.

8. In the event of the Bidder's non-compliance with the above non-discrimination clause, this Pricing Agreement/Contract may be canceled or terminated by the Contracting Entity. The Bidder may be declared by the Contracting Entity ineligible for further Pricing Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Bidder.

9. The risk of loss or damage shall be borne by the Bidder at all times until the acceptance of goods, properly packed, by the Contracting Entity.

10. This Pricing Agreement/Contract, specifications, electronic bid submittal documents and any attachments constitutes the entire understanding and agreement of the parties upon the subject matter hereof. There is no agreement, oral or otherwise, which is not contained in or attached to this Pricing Agreement/Contract. This Pricing Agreement/Contract may not be modified or assigned unless approved in writing and signed by both parties.

11. The parties assume and understand that the variables in the Bidder's cost of performance may fluctuate; consequently, the parties agree that any fluctuations in the Bidder's costs will not alter the Bidder's obligations under this Pricing Agreement/Contract nor excuse performance or delay on the Bidder's part.

12. This Pricing Agreement/Contract shall be inoperative during such period of time that the aforesaid delivery or acceptance may be rendered impossible by reason of fire, Act of God or government regulation. Provided, however, to the extent that the Bidder has any commercially reasonable alternative method of performing this Pricing Agreement/Contract by purchase on the market or otherwise, the Bidder shall not be freed of any obligations hereunder by this clause, even though the goods intended for this Pricing Agreement/Contract were destroyed or their delivery delayed because of an event described above.

13. The shipping or receiving of any goods under this Pricing Agreement/Contract shall not be deemed, or be, a waiver of any right to damages for any prior failure to ship or receive any goods.

14. This Pricing Agreement/Contract shall be governed by the laws of the State of Oklahoma.

15. The Bidder shall be responsible for complying with all applicable federal, state and local laws.

16. If submitting a bid for services, the Bidder certifies that they, and any proposed subcontractors, are in compliance with 25 O.S. §1313 and participate in the status Verification System. The Status Verification System is defined in 25 O.S. §1312 and includes but is not limited to the free Employment Verification Program (E-Verify) through the Department of Homeland Security and available at www.dhs.gov/E-Verify.

GENERAL INSTRUCTIONS AND REQUIREMENTS FOR BIDDERS

THESE INSTRUCTIONS, REQUIREMENTS AND ANY SPECIAL INSTRUCTIONS CONTAINED IN THE SPECIFICATIONS ARE A PART OF THE TERMS AND CONDITIONS OF THE BIDDER'S IRREVOCABLE BID AS A FIRM OFFER. ANY EXCEPTIONS TO THESE INSTRUCTIONS, REQUIREMENTS OR SPECIFICATIONS MUST BE SPECIFIED AND SUBMITTED WITH THE BIDDER'S BID. THIS CAN BE ACCOMPLISHED BY SUBMITTING AN ALTERNATE OFFER, IF AVAILABLE ON THE BID, OR BY ENTERING INFORMATION INTO THE "NOTE TO BUYER" FIELD. A BIDDER MAY ALSO SUBMIT EXCEPTIONS BY UPLOADING A SEPARATE DOCUMENT LABELED "EXCEPTIONS" INTO THE PERISCOPE SYSTEM. FAILURE TO INDICATE ANY EXCEPTIONS WILL BE REGARDED AS FULL ACCEPTANCE OF THE REQUIREMENTS, INSTRUCTIONS, AND SPECIFICATIONS CONTAINED IN THIS BID PACKET AND ANY OTHER BID DOCUMENTS RELATED TO THIS BID.

1. **EXAMINATION BY BIDDERS:** All Bidders must examine the specifications, drawings, schedules, special instructions and these general instructions and requirements prior to electronically submitting any Bid/Pricing Agreement/Contract. Failure to examine is at the Bidder's own risk as Bidder will be held to the terms, conditions and requirements therein.
2. **SUBMISSION OF FORMS REQUIRED FOR PRICING AGREEMENT/CONTRACT AWARD:** All bids must be completed electronically, on the forms provided by the Contracting Entity through the electronic bidding system. Bids will not be considered unless the Bid/Pricing Agreement/Contract form is completed, signed and submitted by the Bidder in the electronic bidding system. A Letter of Authorization should also be attached and submitted when the Bidder is not authorized by statute and the Bidder's organizational and establishing documents to sign and bind the Bidder to the Bid/Pricing Agreement/Contract documents. The Non-Collusion Affidavit must be executed by the Bidder or an authorized agent and notarized. The notarization must contain:
 - (a) The notary's signature (electronic signature);
 - (b) Jurisdiction where notarization took place (i.e., State of __, County of __);
 - (c) Date of notarization;
 - (d) The notary's commission expiration date;
 - (e) The notary's commission number (Oklahoma);
 - (f) The notarial seal (the notary seal is not required for electronic notarization); and
 - (g) Comply with all other applicable laws. The Non-Collusion Affidavit must be submitted electronically with the electronic bid packet.
3. **SUBMISSION OF BIDS ELECTRONICALLY TO THE CITY CLERK/SECRETARY:** Bids must be submitted electronically through Periscope and shall be opened at the time stated in the Notice to Bidders, or later, in the City Clerk's Conference Room, located on the 2nd floor of the Municipal Building. The Periscope system does not allow bids to be submitted after the deadline. There will be no exceptions to this policy. All bids shall remain on file at least 48 hours thereafter before a Pricing Agreement/Contract shall be made and entered into thereon.
4. **DESCRIPTIVE TERMS:** Unless the term "no substitute" is used, the use of brand name, manufacturer, make, or catalog designation in describing an item does not restrict Bidders to that particular brand name, etc. The term is simply to indicate the type, character, quality and/or performance equivalence of the item desired. However, the proposed substitution item must be of such character, quality and/or performance equivalence as that indicated in the specifications. A proposed substitute item must include complete data as to the manufacturer's name, type, model number, any descriptive bulletins and specifications. This data can be uploaded electronically through the electronic bidding system.
5. **EXCEPTIONS:** Any exceptions or variances to these instructions or specifications must be submitted with the Bidder's bid. This can be accomplished by submitting an alternate offer, if available on the bid, or by entering information in the "Note to Buyer" field. A Bidder may also submit exceptions by uploading a separate document labeled "Exceptions" into the Periscope system. Failure to indicate any exceptions will be construed to mean that the Bidder offers to furnish the exact commodity as described in the bid specifications and as full acceptance of the requirements, instructions, and specifications contained in this bid packet and any other bid documents related to this bid.
6. **UNIT PRICES:** A unit price for each unit bid must be shown and include any applicable taxes, delivery, and packaging and/or packing, if any, unless otherwise specified. If there is an estimated quantity stated as such in the specifications, the estimate is not a guarantee of the quantity which may be purchased. When the quantity in the Periscope system is listed as "1", Bidder shall bid the per individual unit price. The Contracting Entity may purchase one or more bid item at any given time throughout the term of the Pricing Agreement/Contract. The Periscope system will calculate the total based on the quantity requested by the Contracting Entity and the price entered by the Bidder. The Periscope system will calculate the bid price based on the quantity and price. Items bid as an estimated quantity will be awarded on a "no guarantee" basis. Prices shall be extended in decimals, not fractions, and shall include transportation and delivery charges, prepaid by the Bidder to the destination specified in the special instructions of the specifications.
7. **EXEMPTIONS FROM CERTAIN TAXES:** The purchase of certain goods or services by the Contracting Entity is exempt from the payment of excise, transportation, use, and sales tax imposed by the federal, state and/or city governments. Such taxes must not be included in the bid prices. Any taxes that are not exempt must be included in the bid price. No additional payment or compensation will be made for taxes.

8. PAYMENTS AND DISCOUNTS:

- (a) Payment for goods and services as specified in the Pricing Agreement/Contract shall be processed promptly after completion of delivery and acceptance of items and after receipt from Bidder of properly prepared invoice(s) and/or notarized claim voucher(s), if applicable. Purchases may be made by certain City or Trust employees using a purchasing card. Employees of Contracting Entity are required, when possible, to use a purchasing card for purchases under the amount of \$5,000 for a single transaction. For single transactions over \$5,000, the Bidder may request payment be completed by issuance of a purchase order. Processing fees may not be added when a purchasing card is used. The bid price shall cover any fees a bidder may incur.
- (b) Discounts for prompt payment will not be considered in bid evaluations, unless otherwise specified. Discounts offered by the Bidder will be taken, however, if payment is made within the discount period.
- (c) Late charges cannot be assessed against Contracting Entity.

9. LATE INVOICES: If the purchase order indicates that the purchase is being made with City funds, all unpaid invoices pertaining to this Pricing Agreement/Contract must be recorded in the Finance Department, Accounts Payable Section, or in the Office of the City Clerk on or before September 30 for all debts incurred during the prior fiscal year (July 1 through June 30), or said invoice shall be void and forever barred. (*See* 62 Okla. Stat. 2010 § 310.4).

10. DELIVERY:

- (a) All bid prices quoted shall be based on delivery F.O.B. Oklahoma City, Oklahoma or to any points located within the municipal corporate limits (unless otherwise stated in the bid specifications) with all charges prepaid to the actual point of delivery.
- (b) Bids must show the number of days required for delivery under normal conditions. Unrealistically short or long delivery promises may cause bids to be rejected. A successful Bidder is required to keep the purchasing department advised at all times of the status of the order and delivery. All goods or services shall be delivered within thirty (30) days from the date of the award of the Pricing Agreement/Contract, unless specified otherwise.

OKLAHOMA OPEN RECORDS ACT AND CONFIDENTIAL INFORMATION

All materials submitted to the Contracting Entity pursuant to this Bid or Proposal potentially become subject to the mandates of the Oklahoma Open Records Act, 51 O.S. § 24A.1. *et seq.* The purpose of this Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records," as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create a specific and express exemption or confidential privilege, persons who submit information to public bodies have no right to keep this information from public access nor have a reasonable expectation that this information will be kept from public access.

If you believe that any of the information you have submitted to the Contracting Entity pursuant to this Bid or Proposal is exempt or confidential under a specific state or federal statute, and therefore not subject to public access under the Oklahoma Open Records Act, you must comply with the following:

1. Place said documents/records in a separate electronic file attachment marked "Confidential". DO NOT label your entire Bid or Proposal as "Confidential" – label only those portions of the Bid or Proposal that you feel are exempt or are made confidential by state or federal law as "Confidential".
2. For each such document for which you are claiming an exemption or a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. § 85 *et seq.*

Should an Open Records request be presented to the Contracting Entity requesting information you have identified as "Confidential," you will be responsible for defending your position in the District Court, if needed.

If you fail to identify any records submitted as part of your Bid or Proposal as "Confidential", you are agreeing that said records are not exempt or confidential and are subject to public access.

Upon receipt of a request by a third party to review or copy records properly identified as "Confidential," you will be notified of the request and thereby given an opportunity to immediately enforce and protect your rights by initiating an action in a court of competent jurisdiction. Should you fail to timely bring an action to enforce your rights, then the requested records will be released by the Contracting Entity based upon its determination of the application of the Oklahoma Open Records Act.
