[ENID, OK] Local dealership group, P&K Equipment, Inc., has expanded to a total of twenty locations with the acquisition of Standridge Equipment, Co., a John Deere dealership with locations in both Chickasha and Duncan, Oklahoma. The two newest locations will join P&K Equipment's eighteen existing locations, including sixteen throughout Oklahoma and two in Arkansas.

The acquisition of Standridge Equipment was finalized on Monday, December 06, 2021. The first official day of P&K Equipment business in Chickasha and Duncan is Tuesday, December 07, 2021.

Scott Eisenhauer, P&K Equipment General Manager, had this to say about the acquisition. "The Standridge family has a long history in the John Deere business, extending well over 50 years. We are honored to continue their successful legacy. We look forward to their customers, community partners, & employees joining the P&K team. As we grow the P&K brand into these new areas, our number one goal will be to continue providing the highest level of customer service with a sense of urgency in all aspects of our business- whether it's sales, parts, and service. We look forward to utilizing the many P&K resources to serve customers in southwest Oklahoma and to provide them with the excellent P&K Experience."

Most of the Standridge employees will join the P&K team, including Trey Adams and Josh Adams, who will continue to lead the Chickasha and Duncan locations & integrate them into the P&K family. Trey Adams commented on the acquisition: "We are excited to join the P&K team and to utilize the strengths of the P&K organization to continue enriching the service to our customers. We look forward to maintaining the hometown, family-oriented environment at these new P&K locations."

As a John Deere dealer, P&K Equipment works with and supports a variety of customer segments, including agricultural equipment, residential and commercial lawn equipment, compact construction equipment, golf & turf equipment, as well as governmental equipment.
