

RESOLUTION AUTHORIZING THE PURCHASE OF CONSTRUCTION EQUIPMENT, FROM STATE CONTRACT (S23-SW2380192), ESTIMATED COST \$1,000,000, OCTOBER 25, 2022 THROUGH OCTOBER 24, 2023.

WHEREAS, the City and Trusts have a continuing need to purchase construction equipment which is available through a state contract; and

WHEREAS, this contract consists of large equipment, such as wheel loaders, motor graders, backhoes, track excavators, and many other types of equipment used for construction applications; and

WHEREAS, when more than one unit is needed, multiple unit discounts are available from some of the contracted vendors; and

WHEREAS, purchases made from this contract will only be approved when it has been determined the established contract price offers the greatest cost savings to the City and Trusts; and

WHEREAS, when cost savings cannot be obtained through the State's contract, departments will be required to develop specifications and follow the City's formal competitive bidding process; and

WHEREAS, the estimated cost for this contract is based on previous expenditures for this commodity; and

WHEREAS, there is no obligation to purchase from this agreement; and

WHEREAS, all purchases are subject to future appropriations and the availability of funds; and

WHEREAS, there is a continuing need for the procurement of this equipment.

NOW, THEREFORE, BE IT RESOLVED by the Council of The City of Oklahoma City that they do hereby authorize the purchase of construction equipment from State Contract (S23-SW2380192), estimated cost \$1,000,000, October 25, 2022 through October 24, 2023.

ADOPTED by the Council and signed by the Mayor of The City of Oklahoma City this

27th day of September, 2022.
