- 5.1.2 This contract authorizes expenditures up to **\$124,819.39** contingent upon collection of 100% of assessments for the upcoming year plus past receivables. See budget in **Attachment "B"**.

5.2 Restrictions or Limitations.

- 5.2.1 Compensation is subject to the availability and appropriation of adequate and sufficient funds by Authority from assessments or other sources to pay for the Services for the term of this Agreement.
- 5.2.2 If The City experiences an inadequacy of funding for necessary payments under this Agreement, the General Manager may reasonably reduce the Services and related compensation otherwise to be provided under this Agreement; however, such reduction in compensation shall take into account existing financial obligations to third parties incurred by Contractor in contemplation of this Agreement extending until the end of this Agreement, and further, such reduction in services shall not alter the obligation of the City to provide services to the District. General Manager shall provide such notice of reduction in Services to Contractor at least thirty (30) days in advance.
- 5.2.3 Budget Category Overruns. If in the course of this agreement the Contractor cannot provide service per the line item budget categories identified in **Attachment "B"** and additional funds are available from other line item budget categories, the surplus may be transferred to deficient line item budget categories with the following approvals:
 - i. Over 5% and up to 15% - may be approved by the Contract Manager
 - ii. Over 15% and up to 25% - may be approved by the Division Director supervising the Contract Manager
 - iii. Over 25% - may be approved by the General Manager
- 5.2.4 This Addendum is subject to the continued existence of the Stockyards City BID. In the event the Stockyards City BID shall cease to exist, or in the event the assessment roll is not approved or is invalidated by a court of competent jurisdiction, or in the event adequate and sufficient funds are not appropriated by The City during the term of this Agreement to pay for the Services as herein set forth, then this Agreement will terminate and be of no further force or effect. Under no circumstances, shall Authority's liability exceed the funds duly appropriated by The City for this Agreement.
