

Petition By Blackwood Farms Residents

The following residents of the Blackwood Farms edition (a subdivision of River Bend Estates), petition the Oklahoma City Planning Commission to reject the Preliminary Plat of the Enclave at Blackwood Farms as submitted by Newman Investments, LLC until the following issues are addressed adequately: exit access roads, drainage and transition between the existing Blackwood Farms plot and home size to the proposed Enclave at Blackwood Farms plot and home size. If the issues mentioned herein are not addressed, we ask the original plat plan for Blackwood Farms filed by developer Ray Newman remain in place.
