RE: Sole Source

Dear Mr. Bussert,

Idemia Identity & Security USA LLC is the leader in Automated Fingerprint Identification Systems Worldwide. Our equipment is manufactured and integrated at 5515 E. La Palma Ave. Suite 100, Anaheim, CA 92807.

By nature of the proprietary hardware and software components and the overall system design, there are currently no other companies authorized to perform maintenance services on our systems. Therefore, our support contracts must be considered a sole source item of procurement for the Oklahoma City Police Department and any other agency that requires support services to be performed on their AFIS products.

Thank you for your continued support of IDEMIA. We look forward to a long partnership with you.

Sincerely,
