To whom it may concern,

For the record, I have never been opposed to Jonathan Vanover's plan to build this gym. Either have I signed anything saying other wise. I would actually like a pickle ball facility plus other activities. This would be a great addition to the area!

Thank you, Tina Church.

Hi Curtis,

I am a residential neighbor of this rezone request. It has come to my attention there is a meeting today at 1pm. I cannot attend. I've talked to Jonathan Vanover who has ownership in the property a number of times in recent months. He's given me more clarity on their intentions with the complex. It has come to my attention that some of the residential neighbors are voicing opposition to the rezone. It does not appear to impede our residential neighborhood and entries/exits will be on 149<sup>th</sup> St. After discussions of intentions with the sports complex, I feel this property is well suited for business of this nature in that location. I do not want to be grouped in with others that may oppose. If any questions or concerns, feel free to call my cell #405-642-2412. My ID is attached to show my address in proximity to the location. Thank you,
