IV. STAFF RECOMMENDATION

Staff recommendations are advisory only and do not constitute Planning Commission decisions. Staff recommendations are based on a technical evaluation of information submitted at the time of review. Planning Commission decisions require a vote of five members to approve or deny an item. The Planning Commission may consider in its decision-making process any additional relevant information presented at the public hearing by the public, applicant, and/or City departments.

Approval of the application subject to the following technical evaluation:

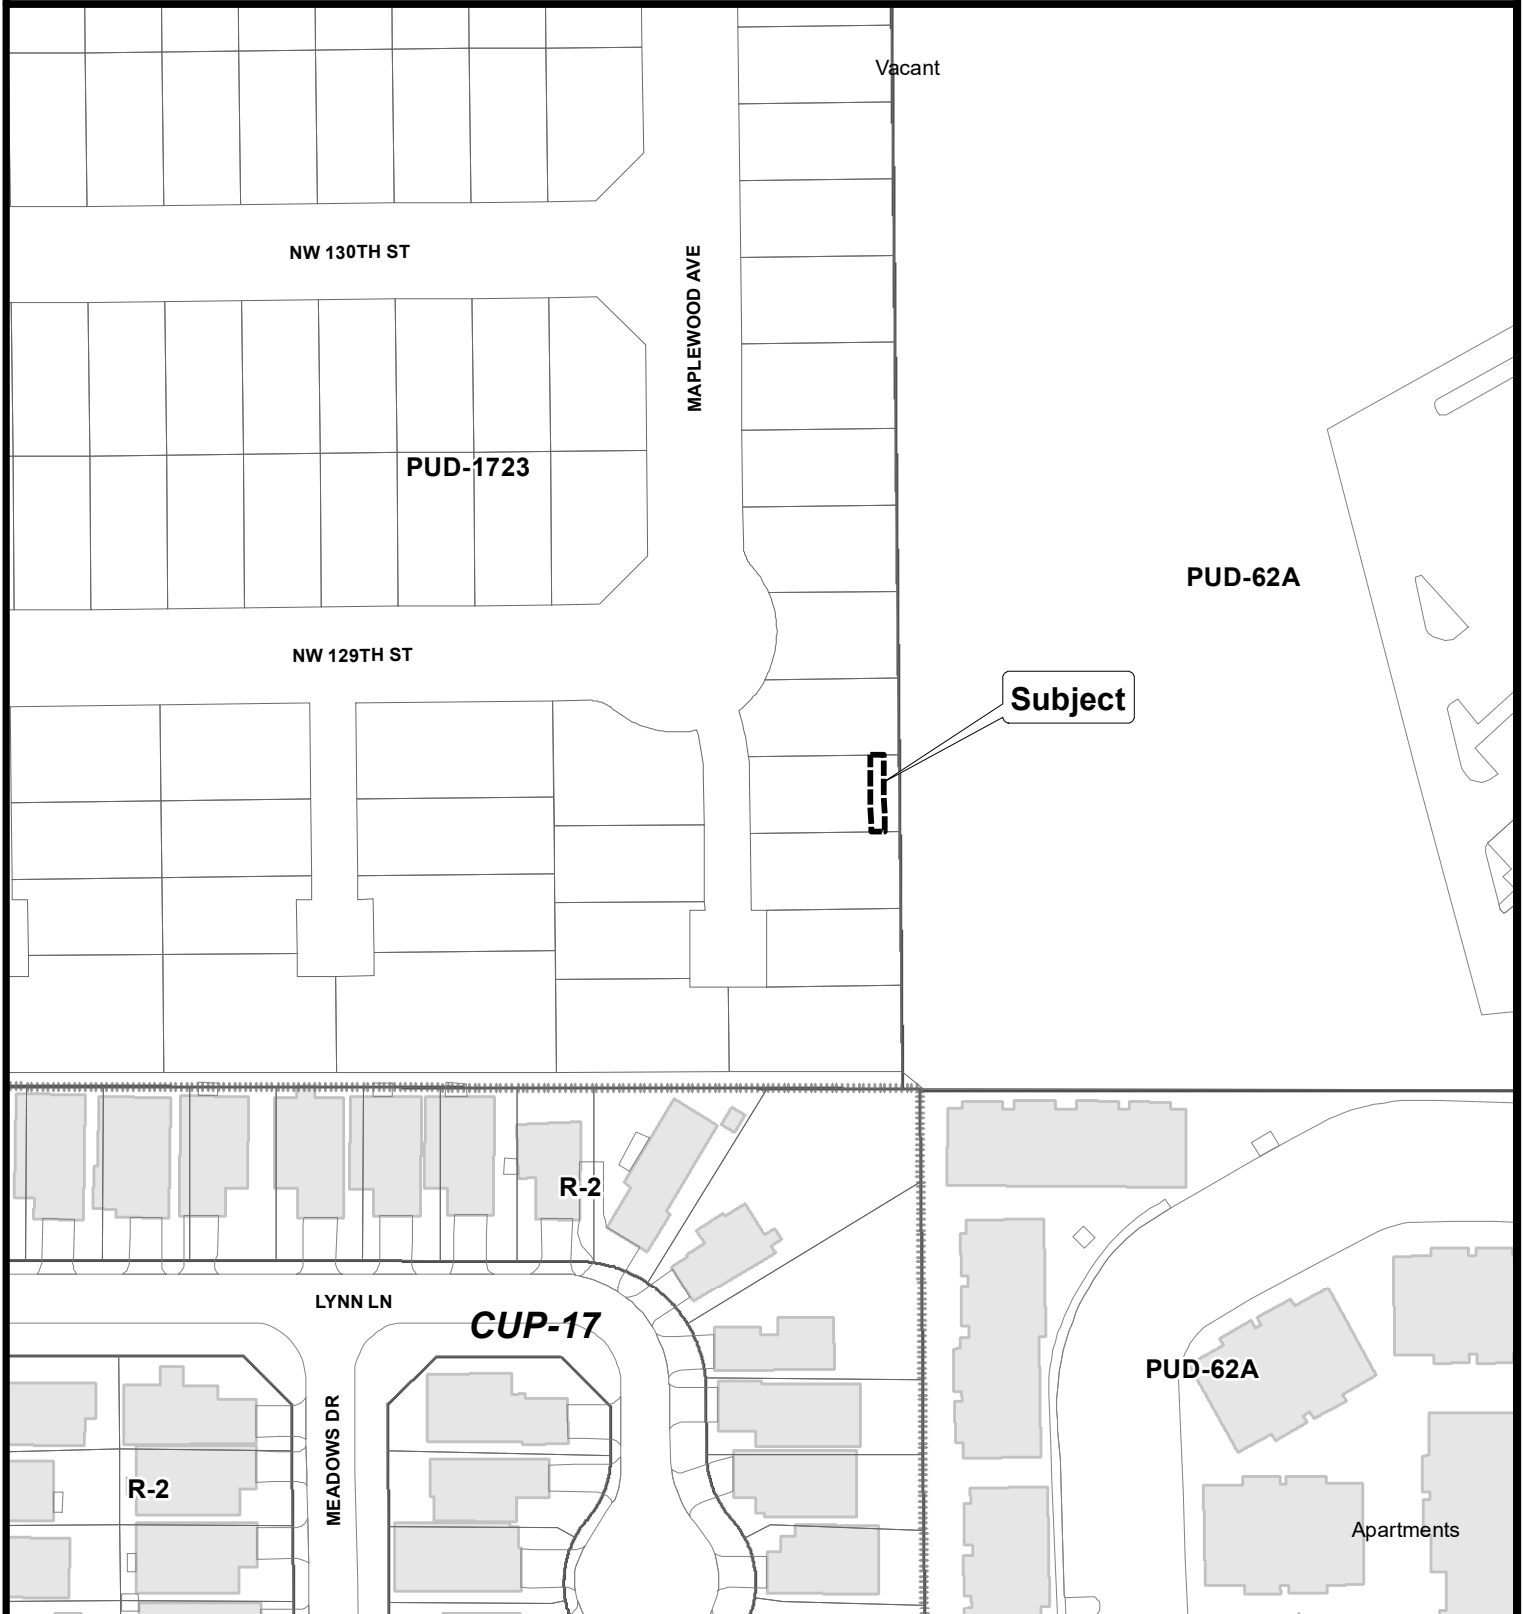

1. A perpetual easement for water and wastewater, drainage, storm water, sidewalks, and traffic controls systems (collectively “City Systems”) are hereby expressly reserved until such time as plans have been approved by the Public Works and Utilities departments respectively, which may include provision of new easements, as necessary, and/or individual easements being released.
- 2) Prior to City Council consideration, applicant must provide a survey showing the location of all utilities within the platted Utility Easement.
