

MEMORANDUM

OCAAT Agenda
Item No. VI. P
4/27/2023

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Resolution authorizing the purchase of one 2023 John Deere 850L Crawler Dozer, from Clarence L. Boyd, utilizing State Contract (SW0192), in the estimated amount of \$429,500.00.

Background:

The Trust currently owns a 1997 model dozer which is used for numerous projects at Will Rogers World Airport. The dozer is becoming costly to maintain and less dependable when performing these projects.

The Oklahoma Public Trust Act, 60 O.S. 176 (I), allows public trusts to purchase directly from a contract duly awarded by the State of Oklahoma under the Oklahoma Central Purchasing Act.

State Contract (SW0192) provides the ability to purchase large equipment, such as a John Deere Dozer, from the manufacturer's authorized dealers. Airport staff followed best practices and obtained price quotes from multiple authorized dealers to ensure the best price. Clarence L. Boyd provided the lowest cost through State Contract (SW0192), and staff is requesting authorization for the purchase of one 2023 John Deere 850L Crawler Dozer with the options selected for the Trust's needs at a cost of \$429,500.00.

Recommendation: Resolution be adopted.
