

MEMORANDUM

OCAAT Agenda
Item No. VI. O
4/27/2023

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Performance Bond for R2 Consulting Services, custodial services at the Fuel Facility, Snow Barn, and Maintenance Facility.

Background:

On February 23, 2023, the Trust approved (Item No. VII.E.) a custodial services contract with R2 Consulting Services, LLC for custodial services at the Airport's Fuel Facility, Snow Barn, and WRWA Maintenance Facility. The bond that was approved was for two separate contracts. It was determined that there should be two bonds in place. The approval of this performance bond will ensure appropriate bonds are in place for each contract.

Staff requests approval of the attached Performance Bond #SU 7104818-0000.

Recommendation: Performance Bond be approved.
