Commissioner Powers:

I am writing to object to SPUD-1540 that proposes to put a large, 11-unit apartment facility at NW 43<sup>rd</sup> Street and North Francis Avenue. It's too big to fit on that lot and will ruin the look of the neighborhood. I can't see how they can build something to house 11 families and accommodate their cars to be parked on that same lot. The construction process causes a lot of traffic and street parking, and it creates a lot of trash. The increased traffic from it would create safety issues. These extremely tall buildings in a traditional ranch style house neighborhood ruins the look of our established neighborhood. Please deny the application for such a big project on such a small place.
