Ms. Welch,

I reside in the 800 block of N.W. 49th Street in the Douglas Park Neighborhood. I do not oppose the development of moderately priced multi-residential housing in our neighborhood as I recognize the need for affordable housing in the community. My concern is what appears to be inadequate parking in the proposed development at N.W. 43rd and Francis, which is due to the proposed provision of one parking space per dwelling unit. Parking is already an issue because of commercial businesses on Western, including the Will Rogers Theatre. There should be, at a minimum, 2 off-street spaces per unit.

Thank you,

Judith Thompson
