

Per the Notice Of Hearing that was received June 26, 2023

We, the following home and property owners are in opposition of the proposed zoning change, Case Number PUD-1958 at 7612 S.W. 74<sup>th</sup> Street.

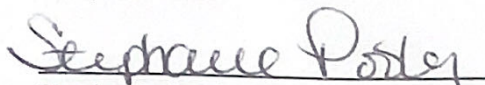

Lack of information involving change is the main consideration of opposition.

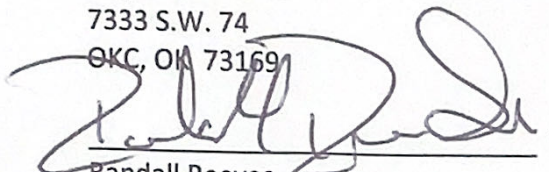

We would like answers to the following questions:

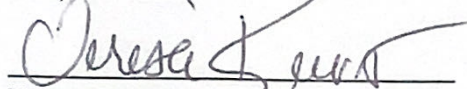

- 1 - What will be parked in said location?
- 2 - What will hours of operation be?
- 3 - What type of surface will be maintained for use?
- 4 - Will there be any city service upgrades, such as water main, be involved in zoning change?
- 5 - Will there be any type of visual screening on S.W. 74<sup>th</sup> Street to block view?
- 6 - If this is approved as a parking lot, could said property become a salvage yard?
- 7 - Will permanent or temporary structures be utilized on property?
