The conditions of this obligation are such that said Contractor has entered into a contract with the OKLAHOMA CITY WATER UTILITIES TRUST, dated this 15TH day of AUGUST, 2023, and has agreed to construct: **Project No. ST-0168, Dewatering Building Rehabilitation; North Canadian Wastewater Treatment Plant**, all in compliance with the plans and specifications therefore, made a part of said contract and on file in the Office of the City Clerk of the CITY OF OKLAHOMA CITY as the Secretary of the OKLAHOMA CITY WATER UTILITIES TRUST; and to maintain the said improvement in the amounts set forth above against any failure due to workmanship or material for a period of two (2) years from the date of final formal acceptance of the Project by the OKLAHOMA CITY WATER UTILITIES TRUST.

NOW, THEREFORE, if said Contractor shall pay or cause to be paid to the Trust, all damage, loss, and expense which may result by reason of defective materials and/or workmanship in connection with said work occurring within a period of two (2) years from and after final formal acceptance of said Project by the OKLAHOMA CITY WATER UTILITIES TRUST, then this obligation shall be null and void, otherwise to be and remain in full force and effect.

It is further agreed that if the said Contractor or Surety herein shall fail to maintain said improvements against any failure due to defective material and/or workmanship for a period of two (2) years and at any time repairs shall be necessary that the cost of making said repairs shall be determined by the OKLAHOMA CITY WATER UTILITIES TRUST, or some person or persons designated by it to ascertain the same, and if, upon thirty (30) days notice, the amount ascertained shall not be paid by the Contractor or Surety herein, or if the necessary repairs are not made, said amount shall become due upon the expiration of thirty (30) days and suit may be maintained to recover the amount so determined in any court of competent jurisdiction. And that the amount so determined shall be conclusive upon the parties as to the amount due on this bond for the repair or repairs included therein, and that the cost of all repairs shall be so determined from time to time during the life of this bond as the condition of the improvements may require.
