29th Annual Down Syndrome Festival & 5k

Event Description

History:

The Down Syndrome Association of Central Oklahoma, Inc. is a 501(c)3 non-profit founded in January 2000, by parents of children with Down syndrome. The purpose of the organization is aligned with its mission which is “raise awareness and provide resources, as well as promote acceptance and inclusion for people with Down syndrome.” We do this through a variety of family-oriented events, education workshops and community awareness campaigns such as:

- Down Syndrome Festival & 5k
- New Parent Visits
- Quarterly New Parent Breakfast
- Quarterly Workshops
- Parent to Parent Support Meetings
- D.A.D.S. – Dads Appreciating Down Syndrome
- Kylee’s Kitchen
- Tutoring and Speech Lab
- Family and Teen/Self Advocate Social Events
- Self-Advocacy Workshops
- Elementary Adventure Club
- DSACO Club
- Bountiful Blessings Calendar
- DSACO Cup Golf Tournament

DSACO envisions communities where everyone, including those with disabilities, is accepted, included, empowered and given the opportunity and choice to create their own happiness and path to success. The Down Syndrome Festival and 5K is the annual and largest fundraising event for the Down Syndrome Association of Central Oklahoma scheduled for Saturday, Sept. 30, 2023. This is the 29th year of celebration for the awareness walk. The event begins with a 5k and 1mile Fun Run at 8 a.m., Awareness Walk with more than 4,000 families and friends at 9:30 a.m. and Festival activities on the lawns of the Myriad Botanical Gardens beginning at 9:45 a.m. It is open to the public and free of charge. We will have entertainment on the lawns, which include inflatables, games, raffles, DJ with dancing along with support organizations offering resources. Food trucks will be available along Sheridan Avenue between Ron Norick Drive and Hudson Avenue. In addition, we will have about 300 volunteers directing guests to various activities and assisting with check-in and booth assignments.

Location and Traffic Impacts:

The DSACO Festival and 5K will take place in the areas surround the Myriad Botanical Gardens. Road closures are as follows:

6:30 a.m. to 1 p.m. – Sheridan closed from Ron Norick Avenue to Hudson Avenue

For the 5k Race and Fun Run - 6:30 a.m. to 10:20 a.m. – Sheridan closed from Hudson to Dewey Avenues. In addition, Walker Avenue from Sheridan to 9th Street, 9th street from Walker to Harvey; Harvey from 9th to 14th Streets; 14th Street from Harvey to Hudson and Hudson between 14th and 9th Streets. The registration for the 5K event will take place on the Myriad Gardens lawn near the band shell area.

For the Awareness Walk - 6:30 to 10 a.m. – The city block of Sheridan to Dewey south to California and north to Walker will be closed for the Awareness Walk. This route is one city block around the John Rex Charter School.

The Festival - Sheridan between Ron Norick Drive and Hudson Avenue will remain closed until the culmination of the event, which is expected to end at 1 p.m. We are using the Myriad Botanical Gardens for the festival activities, which follows the 5K. We have rented the space to allow for facilities, sidewalks

and plaza for our set up/restrooms/music, etc. Food trucks will be along the west-bound traffic side Sheridan. The street cars will not be impacted by the closure and OKCPD will be monitoring all areas for safety and security along with Action Safety.

Activities:

As in years past, The Festival and 5K will host all families with a member who has Down syndrome. We expect approximately 600 runners for the 5k and more than 3,000 family and friends for the Awareness Walk and Festival activities. Entertainment includes inflatables, games, resource information booths, DJ with dancing, as well as food trucks. All resource booths will be asked to provide their own equipment for activities and information. Tables and chairs will be provided upon request. All the entertainment and activities will take place on the lawns of the Myriad Botanical Gardens, which face Sheridan.

Food:

Food trucks will be on hand to offer food and beverages to guests. All food trucks will be asked to provide their own generators and any other equipment needed for the event. Food trucks will be along the west-bound traffic side Sheridan.

Safety:

We will work in conjunction with the Oklahoma City Policy Department and Action Safety during the event to ensure safety and security measures are met for 5k participants, walk participants, as well as guests and entertainment attending the Festival. We have hired OKCPD to enforce road closures and monitor guests crossing streets and other areas that might need additional assistance or accessibility assistance.

Parking:

We have arranged free parking with American Parking Center in the lot directly south of the Myriad Botanical Gardens. Volunteers will be on hand to direct guests to activities as designated. Signage will also be provided to direct guests to appropriate events and check-ins.

Other Items to Consider:

To keep the areas clean, trash cans will be located at the beginning of the 5K race (Hudson and Sheridan) and at the turn around point (14th Street and Harvey). Portable restrooms (2 – one of which is an accessible restroom) will be located at the corner of Hudson and Sheridan on the grounds of the Myriad Botanical Gardens and the other at the corner of Sheridan and Ron Norick Blvd. Public Restrooms at the Myriad Botanical Gardens will also be available for guests. Please see attached 5k and Awareness Walk route map and Myriad Botanical Garden map for more details.

Summary:

The event brings together community members and families to celebrate the opportunities and strengths of individuals with Down syndrome. It is to promote Down syndrome so the community can see those with Down syndrome for the individuals they are and their abilities. Last year's event had record numbers, including more than 600 race participants and raising more than \$200,000. We expect this year's event to be even bigger with more runners and walkers and generating a new beginning for the downtown Oklahoma City area to see our organization as a value to their business.
