Angela,

Thank you for taking the time to meet with me and educate me further on best next steps going forward.

As you requested that I replace the hard copies which I have given you with higher resolution digital pic, I have attached pdfs of close up pics of the painted brick as well as pre-paint pic of the front of the house. I have also included the Technical Spec sheet describing both the primer and the finish coat of paint.

I will have my typed out comments and the possibility of a paint expert who sold us the paint to augment my comments but either way I will be present and if allowed to speak I will be prepared to speak succinctly but sufficient informative data for the Committee and Planning commission to make a decision on my paint application.

I appreciate your help.

Kind Regards,

Steve Prentice
