The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in adopting the Resolution authorizing the sole source purchase of IPL brand genuine original equipment manufacturer replacement lids and other parts from IPL North America, Inc. (SS22-C229024), big blue refuse and green recycle carts, estimated annual cost \$200,000, April 12, 2022 through April 11, 2024.

Purpose:

To provide replacement lids and other parts for IPL big blue refuse and green recycle carts for individual residential customers throughout the City. Replacing damaged cart lids will extend the useful life of a cart for years and is far less expensive than replacing the entire cart.

Background:

The Oklahoma City Water Utilities Trust previously purchased big blue refuse and green recycle carts from IPL North America, Inc.

IPL North America, Inc. is the sole manufacturer of parts that are compatible with IPL waste collection carts. Attempting to retrofit IPL carts with any other manufacturer's products will void any warranty provided by IPL.

Estimated Annual Cost:

\$200,000
