

MEMORANDUM

The City of
Oklahoma City

Council Agenda
Item No. XI. O.1&2
6/21/2022

TO: Mayor and City Council DEFERRED TO 7/5/2022
FROM: Craig Freeman, City Manager

1. Consider filed appeal.
2. Appeal of the action taken by the Traffic and Transportation Commission on May 16, 2022, approving a request for the addition of stop control on North Stonewall Avenue at NE 6th Street to convert the intersection to all-way stop control. Ward 7.

Location:

On North Stonewall Avenue at NE 6th Street

Background:

On March 28, 2022, Denyveta Davis, President, JFK Neighborhood Association submitted a request letter, accompanied by petitions, for installation of 4-way "STOP" signs at NE 5th Street and North Stonewall Avenue and NE 6th Street and North Stonewall Avenue to improve traffic and safety of the intersections for vehicles, pedestrians and bicyclists. The intersections were both two-way stop controlled.

In response to Ms. Davis' request, a staff report appeared on the Traffic and Transportation Commission's May 16, 2022, agenda: Item V-B., 1) Add stop control on North Stonewall Avenue at NE 5th Street to convert the intersection to all-way stop control; and 2) add stop control on North Stonewall Avenue at NE 6th Street to convert the intersection to all-way stop control.

At the meeting on May 16, 2022, motion of approval was made by Shay Varnell, Ward 1, and seconded by James W. Schuelein, Ward 6, for approval of Item V-B. 1) and 2). Ayes by Walter Kula, Ward 4, Shay Varnell, Ward 1, Rob Littlefield, Ward 2, Richard Russell, Ward 3, Barry G. Hale, Ward 5, James W. Schuelein, Ward 6, and Marek Cornett, At-Large. Ward 7 was and currently is a vacant seat and Kevin George, Ward 8, was not in attendance. The Traffic and Transportation Commission voted to approve agenda Item V-B. 1) and 2).

On May 26, 2022, Glory Holt Dunlap, 1101 NE 6th Street, Oklahoma City, Oklahoma, filed an appeal with the City Clerk's Office. The appeal was filed timely in compliance with Oklahoma City Municipal Code, 2010, Chapter 2, Section 751. The basis for the appeal is that the addition of the stop control on North Stonewall Avenue at NE 6th Street does not meet traffic warrants and the additional stop control increases the danger of exiting her driveway.

Review:

Public Works Department

Recommendation: Consider appeal.
