

MEMORANDUM

Council Agenda
Item No. IX. BM
9/27/2022

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Right of Way Agreement with Oklahoma Natural Gas Company for replacement of a natural gas transmission line at the Council Road bridge near SW 8th Street and the North Canadian River, revenue of \$63,363. Ward 3.

Location:

Near Southwest 8th Street and the North Canadian River

Background:

Oklahoma Natural Gas Company (ONG) requested the attached Right of Way Agreement (Agreement). ONG needs the Agreement to replace an aging, natural gas transmission line, and related appurtenances, at the above-referenced location. The existing line crossing the North Canadian River is attached to the Council Road bridge. It will be replaced with an underground line bored under the river.

Under the Agreement, ONG will be responsible for all costs to install and maintain the pipeline. This includes any damage to above-ground property caused by its activities under this Agreement.

The Agreement area encompasses 21,121 square feet, or 0.48 acres. ONG will pay the City \$63,363 for the Agreement. Although the subject park property crosses the North Canadian River, it is not within the Oklahoma City Riverfront Redevelopment Authority leasehold. On August 17, 2022, the Park Commission recommended approval of the Agreement.

Revenue:

\$63,363 to be deposited in the General Fund – General Operations – Parks – Oil and Gas – Non-Operating – Easements (001-0001-44400005)

Review:

Parks and Recreation Department

Recommendation: Agreement be approved.
