Council Agenda  
Item No. IX. AS  
9/27/2022

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Acceptance of a permanent easement, Project WC-0872, Atoka Pipeline raw water transmission line, Coalgate to Stonewall, Oklahoma.

**Location:**

Coalgate to Stonewall, Oklahoma

**Purpose:**

To provide right-of-way for water utility purposes and uses incidental thereto.

**Background:**

The City of Oklahoma City owns and the Oklahoma City Water Utilities Trust operates and maintains a 100-mile long, 60-inch concrete cylinder pipeline and six pump stations bringing water from the Atoka Reservoir in southeast Oklahoma to the Stanley Draper Reservoir in southeast Oklahoma City. A new 72-inch raw water pipeline will be constructed parallel to the existing pipeline. The portion containing the easement will contain approximately 15-miles of new 72-inch pipe to be constructed.

**Claimant:**

The Bureau of Indian Affairs was paid \$13,750 on September 4, 2019, for the permanent right-of-way easement.

**Source of Funds:**
