

MEMORANDUM

Council Agenda
Item No. IX. M
9/27/2022

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing a change in the cost estimate for the purchase of Brother mobile printers and accessories, pricing agreements with Pacific East (R23-C221026) and Turn-Key Mobile (R23-C221027), estimated cost increase of \$350,000 to a total of \$450,000, for the period ending July 5, 2023.

Purpose:

To increase the cost estimate for the purchase of Brother mobile printers to accommodate Information Technology's need to replace all mobile printers in Police vehicles in order to work with the new e-citation system the Oklahoma City Police Department will be using.

Background:

These pricing agreements were renewed on June 7, 2022 (Item No. IX.B) for the period ending July 5, 2023. The original estimated amount of \$100,000 is not sufficient to replace all mobile printers in the Police vehicle fleet. The Information Technology Department has a major project underway to implement a new e-citation system, which requires replacement of all mobile printers in the Police vehicle fleet.

Staff requests Council authorize a change in the cost estimate for the purchase of Brother mobile printers and accessories, pricing agreements with Pacific East (R23-C221026) and Turn-Key Mobile (R23-C221027), estimated cost increase of \$350,000 to a total of \$450,000, for the period ending July 5, 2023.
