

STAFF REPORT
The City of Oklahoma City
Planning Commission
October 13, 2022

Item No. IV. 20.

(CE-1087) Application by Oak Land Development, LLC, to close 599.50 feet of an east-west 17 foot street and utility easement located on NW 50th Street east of Youngs Boulevard at 2200 NW 50th street. Ward 2.

I. GENERAL INFORMATION

A. Contacts

Applicant's Representative

David Box and Paul Lefebvre
Williams, Box, Forshee and Bullard, P.C.

(405) 232-0080

B. Case History

This is a new application.

C. Reason for Request

The purpose of this request is to consolidate the property abutting the easement to facilitate commercial development.

D. Existing Conditions

1. Comprehensive Plan Land Use Typology Area: Urban – Medium (UM)

UM applies to fully urbanized areas of the city, most of which were built prior to the 1960s. Developments are expected to be larger in scale and have greater intensity and mixture of uses than developments found in UL. Development within UM areas should support efficient transit usage and provide pedestrian and bicycle access to retail, services, parks, and other destinations. Priorities for the UM areas include “infill” developments on vacant lots, rehabilitation of underutilized property, and development that supports revitalization of distressed neighborhoods.

2. Zoning and Land Use

	Subject Site	North	East	South	West
Zoning	PUD-1715	R-1	PUD-1715	R-3	R-1
Land Use	Office	Residential	Residential	Residential	Church

II. REVIEW COMMENTS

This application was submitted to the following agencies, departments, and/or divisions for review and comment. An asterisk indicates that the agency, department, and/or division responded with no adverse comments.

A. Outside Agencies

- 1. Oklahoma City-County Health Department (OCCHD)**

A perpetual easement for water and wastewater, drainage, storm water, sidewalks, and traffic controls systems (collectively “City Systems”) are hereby expressly reserved until such time as plans have been approved by the Public Works and Utilities departments respectively, which may include provision of new easements, as necessary, and/or individual easements being released.

Storm Sewer Availability

- 1) Any existing utility easements within the vacated public right of way to be reserved until such time as any existing utilities are relocated.

8. Streets, Traffic and Drainage Maintenance

9. Stormwater Quality Management

10. Traffic Management

11. Utilities

- a. **Wastewater Comments ***
- b. **Water Comments ***
- c. **Solid Waste Management**

No Solid Waste Management services needed.

12. Planning

IV. STAFF RECOMMENDATION

Staff recommendations are advisory only and do not constitute Planning Commission decisions. Staff recommendations are based on a technical evaluation of information submitted at the time of review. Planning Commission decisions require a vote of five members to approve or deny an item. The Planning Commission may consider in its decision-making process any additional relevant information presented at the public hearing by the public, applicant, and/or City departments.

Approval of the application subject to the following technical evaluation:

1. Prior to City Council consideration, applicant must provide a topographic survey showing the location of all utilities, with dimensions, within the proposed closure area.
