### **Background:**

This American Rescue Plan Act (ARPA) project will install ADA-compliant sidewalks and ramps on both sides of streets in eight locations across the City. These areas were identified in bikewalkokc and the Strong Neighborhood Initiative to provide connections to Pedestrian Priority Areas, neighborhoods, schools, and transit corridors.

The Public Works Department submitted the names of three firms for this project to the Consultant Review Committee for consideration and prepared a report of the Committee's findings.

Following contract negotiations, a contract will be presented to City Council for consideration, which will include a more specific scope of work, budget and schedule for the Project.

Design will begin in early 2023, and construction is expected to begin in fall 2023.

### **Engineer:**

Kimley-Horn and Associates, Inc.

### **Engineering Fee:**

To be negotiated

**Estimated Construction Cost:**
