B. Case History

This site already has an active preliminary plat at this time. The applicant will be converting this application to a final plat application. This application was continued at the January 27, March 10, March 14, April 28, June 23, July 14, September 8, and December 8, 2022, Planning Commission meetings. The applicant is requesting a continuance to August 10, 2023, to allow for re-submittal of the final plat documents, construction plans, and to send out corrected property owner notices.
