OCAT Agenda
Item No. IV. D
4/27/2023

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Amendment No. 4 to the Contract for Professional Services with ADG, P.C., for Project No. OCAT WRWA 1802, "Elevator Replacement for Multiple Buildings," Mike Monroney Aeronautical Center, increase of \$5,150.

Background:

On August 24, 2017, Trust approved a Contract for Professional Services with ADG, P.C. ("Consultant") for the replacement of 14 elevators in five (5) buildings at the Federal Aviation Administration ("FAA"), Mike Monroney Aeronautical Center, in the amount of \$152,087.

Justification:

Amendment No. 4 will address relocating the machine room for Elevator 21 in the CAMI building. The FAA has installed a new air handler in the location that was designated for the new elevator room. The Consultant is tasked with reconfiguring the existing elevator room, requiring relocation of machinery and electrical wiring to conform with the new Oklahoma City Elevator Codes.

The cumulative impact of Amendment Nos. 1, 2, 3 and 4 resulted in the revised Contract amount of \$1,116,083.55.

Recommendation: Amendment be approved.
