

TO: Trustees, Oklahoma City Water Utilities Trust

FROM: Chris Browning, General Manager

Performance Bond for RFIP, Inc. (C219010), ethernet radios, replacement, and on-going maintenance services.

Purpose:

To accept the performance bond for RFIP, Inc.

Background:

On February 16, 2021, the Oklahoma City Water Utilities Trust (OCWUT) approved a professional services agreement with RFIP, Inc. to provide replacement, and on-going maintenance services to the current microwave radios along the Atoka Pipeline, McGee Creek Pipeline, and all other OCWUT radio links. The term of the professional service agreement is from February 16, 2021, through February 15, 2026.

In accordance with the specifications, a performance bond is required from the awarded vendor. Staff recommends approval of the performance bond for RFIP, Inc.

Recommendation: Performance bond be approved.
