LICENSE RECEIVED

TO: Trustees, Oklahoma City Water Utilities Trust

FROM: Chris Browning, General Manager

Receive the Oklahoma Turnpike Authority Utility License 121, Project WC-0982, waterline replacement, Memorial Road and Lake Hefner Parkway.

Location:

Memorial Road and Lake Hefner Parkway

Purpose:

Oklahoma Turnpike Authority (OTA) regulations require a utility license for crossing Oklahoma turnpikes with utility lines, including water and wastewater construction projects.

Background:

The following license was recently received from OTA:

OTA Utility License 121 crossing the John Kilpatrick Turnpike at Mile Post 126.6.

This project will replace 2,100 linear feet of a 20-inch waterline along Memorial Road and Lake Hefner Parkway.

Recommendation: License be received.
